2 Apt. Projects Planned for GC; Each is Million-Dollar Development

Plans for two apartment house developments in Granite City each to cost a million dollars or more, were announced this week. Both are to be located in the Namodel area along Pontoon road.

Colonial design, two-story brick buildings for 160 families are planned on a 10-acre tract of the Herbert Bischoff farm along West Pontoon road between the Bischoff home and Melrose subdivision; and five apartment buildings and a service-type shopping center is planned for a five-acre tract bounded by Pontoon road, Wabash avenue and Ames avenue for 64 families.

The 20-building colonial development is being handled by an out-of-state firm by Harold Holston of Morris Realty Co. while Robert Swiatk is handling the purchases and developers of the tract at Pontoon and Wabash.

Hearings set Feb. 25. Hearings to rezone the tracts from single family dwellings to R-3 for apartments are to be held Feb. 25 by the City Plan

Commission. Holston said five acres of the 10-acre tract for the colonial development already had been rezoned R-5 and annexed to the city when plans were first made for the Colonades Nursing Home to be located on the north side of West Pontoon road.

The 20 buildings for the colonial apartment development would be located on the acre's own street, and plans already have been developed for storm water and sanitary sewers and landscaping with recreational and parking areas.

The apartments, all with private entrances at foyers, will be one, two and three-bedroom units with modern fully-equipped kitchens and wall-to-wall carpeting in the living room and dining room areas. There will be central air-conditioning and central gas heating units. Rent will be about \$120 to \$140.

Swiatk said the plot design calls for the two-story brick structures to be in garden ar-

rangements on curved streets. There will be a frontage of 680 feet along West Pontoon road and the tract is about 600 feet deep.

The developing firm has spent about \$7000 preparing the design and surveying for drainage, streets and landscaping.

\$1,550,000 Development Swiatk said the development at Pontoon and Wabash will cost about \$1,550,000 and the land is being purchased.

The five, two-story apartment buildings will feature town apartments with open staircases and garden apartments and all will be two-bedrooms with living, dining room, fully-equipped kitchen and 1 1/2 bath. There will be central air-conditioning and gas radiant heat. The rent will be \$145 to \$165.

Recreation rooms with three places will be located in three buildings and there also will be a swimming pool, coin-operated washers and driers will be in the

\$100,000 Loss In Downtown GC Fire on Tuesday

2 Firemen Injured Fighting Flames, Smoke And Ice at Steinberg Furniture Co.; Second Major Business District Blaze in 3 Months

A second major downtown blaze in three months caused \$100,000 to \$125,000 damage Wednesday evening at the Steinberg Furniture Co. store, 1825 State street.

The blaze of undetermined origin broke out in a windowless second floor storage room and was discovered about 6:30 p.m. The entire second floor was burned out, and the floor of the middle rooms fell to the main sales area.

Firemen were hampered by the 12-to-14-degree temperature, ice formed on their faces, hats and coats and all equipment. Hose froze to the pavement of State street. Two firemen were hurt. Fireman Charles Ready, 2734 Sunset drive, sprained his back handling hose, and Capt. Leonard Wilson, 2650 Lincoln avenue, injured a finger while using an axe on a second floor door which was in flames.

Worker at Golf Course Murdered; Shot Seven Times

Mystery surrounds the murder of Aaron Liggett, 36, married, a painter man at the Arlington Heights golf course, who was found shot to death at 8 a.m. today in his bedroom at the course. The body was discovered by Joseph McDermott, greenskeeper, Deputy Corner Francis Labbe and Liggett was shot seven times, including four wounds in the chest, one in the neck, one on the nose and one on the face.

Sheff's deputies said Liggett was lying on the floor with his head and arms draped over a small table. They searched the interior and exterior of the building, but could not find a weapon. The type of gun used was not immediately determined.

McDermott told authorities he was awakened by Liggett to report for work about 8 a.m. and called, but received no answer. As he was about to leave, he saw smoke pouring from an upstairs window. He went back inside to phone the police, but saw smoke pouring into the main floor. He heard shouting by the firemen at the door and fled about 11:30 a.m.

While little fire reached the main floor, the furniture store was damaged heavily by smoke and water. Firemen managed to place protective covers over the store's inventory.

Steinberg was leaving the store about 6:30 p.m. and was in his car when he noticed several men on the street pointing toward the store building. He went back inside to phone the police, but saw smoke pouring into the main floor. He heard shouting by the firemen at the door and fled about 11:30 a.m.

Fight Way Through Rooms Assistant Fire Chief Curtis Donley said firemen had to fight their way through rooms in the front and on the south side to get to the center rooms where the flames were most intense. Cases and times added to the hazards.

Three pumpers, the engine and ladder truck were dispatched, and seven lines were laid as 28 firemen fought the fire. The Namodel road station crew was assigned to the main station on standby duty.

Firemen and spectators alike slipped and fell as spray from hose froze quickly. The fire was extinguished by 11:30 p.m. and the store was closed.

Moerlen, Dawes File Petitions Two additional Granite City candidates filed petitions yesterday for township clerk and assessor; and Emerald Dawes, a former alderman, filed for ward.

Charles Moerlen, First Ward building inspector for township clerk and assessor; and Emerald Dawes, a former alderman, filed for ward.

They responded to the freezing temperatures, hundreds of spectators.

Burglar Takes Jewelry From Edmonds Home A gold chain bracelet, a lady's wrist watch and a set of white gold wedding rings were stolen in a burglary at the home of Twila Edmonds, 2828 Warren avenue, between 9 a.m. and 6:30 p.m. Wednesday, she reported.

The house was ransacked after the rear door was pried open.

Supreme Court to Get Campus Appeal Request The Granite City school district has been given until March 1 to file a petition with the Illinois Supreme Court on the Coalition of Public High School Principals' appeal of the school board's decision to renege on its contract with the teachers' union.

The petition will seek leave to appeal the campus case to the high court. The seven justices will then decide whether to permit the appeal to them.

Such appeals are not automatically granted; most appeal requests are denied without oral hearings. If an appeal is permitted, evidence and testimony would be presented, probably this spring.

A petition to the Illinois Supreme Court to overturn the school system following notification of denial of its request for Appellate Court re-hearing at Mount Vernon.

The three retired appellate judges rejected the re-hearing proposal without comment. The same three in December had upheld an August 1963 Madison county court ruling that Harold W. Kronstein, 2412 Madison avenue, who was out of town during the 1963 condemnation, was an interest in the campus.

30 Tracts Ready Gasparovic told the Press-News that the 30 tracts of right-of-way were ready for negotiation with the city.

Gasparovic and Filford notified owners of all property on which negotiations have not yet been completed in a March deadline for completion of right-of-way work has been set and that

Hearing Tomorrow for Levee District \$2,096,652 Budget

A public hearing on the \$2,096,652 budget proposed for 1965 by the East Side Levee District is scheduled for 10 a.m. tomorrow at the district offices, 2642 McCasland avenue, East St. Louis.

The budget includes \$899,000 for general operating costs and \$1,106,652 for bonds and interest payments. The budget is down \$73,401 from 1964.

Additional figures released this week show the district estimates 1965 available funds to \$2,822,705. This includes a balance of \$368,550 as of Jan. 1, 1965. Expected receipts include \$87,000 in collections of \$17,400 for 1964 and \$69,600 for 1965.

Since opposition to the bond issue is expected to be passed by levee trustees without opposition.

Review Local Lease At an hour-long regular meeting by meeting yesterday morning, the trustees voted to renew a four-year lease with R. E. Hohl Inc. for the district's Madison county garage at 1707 Madison avenue. Rent will be \$325 per month.

Lawrence Tolar, board president.

APARTMENTS AND SHOPPING CENTER planned for a five-acre tract between Pontoon road and Ames avenue east of Wabash avenue. Five town and garden type apartments.

Traffic Injures 10 This Week

Quad-City traffic injured 10 persons this week, and the number of crashes totaled 22. Two young boys were injured when they were struck by a truck on Granite City streets this week. They are Jerry Mercer, six son of Raymond Mercer, 2730 Center street, and Christopher Claus, seven, son of Mr. and Mrs. Vernon Claus, 1640 State street.

Young Mercer was hurt seriously as he ran into the street in front of a car driven by Robert J. Schoeber, 19, of 2104 Garfield avenue, on Wabash avenue near Johnson L. Kraemer, the board decided to build a 250-foot walkway on St. Clair avenue near the Namodel drainage ditch with Granite City assuming responsibility for improvement of the bridge there.

A contract, dated Aug. 14, 1961, with H. W. Lochner Inc., consulting engineers of Chicago, was terminated by mutual agreement. Lochner was involved with preparing specifications for installation of new storm water pumps in the Parkside pumping station, 6th and State streets, East St. Louis.

After completing the work Albert J. Davison Plumbing & Heating, 401 East St. Louis, filed suit against the levee board for about \$27,000 for labor and materials.

The court, a judgment of \$15,475 was rendered in Davison's favor.

Contract with Johnston The district had alleged, Tolar said, that the high cost of extra work was due to the poor work by faulty specifications by the Lochner firm. David J. Johnston, 1000 E. 1st St., East St. Louis were appointed new consulting engineers.

Bids on automation maintenance and electrical piping and lift stations were received from two East St. Louis firms—United Electrical Contractors, bidding \$1275 per month and A-Age Electrical Contractors, \$880 per month.

United Electrical Contractors, that United installed much of the present equipment and was furnished it from past maintenance work.

The bids were studied by the engineering and finance committees.

Propose Senate District of Quad-Cities-Belleveille The Quad-Cities again yesterday were proposed for inclusion in a legislative district of unusual shape.

A Republican bill introduced in the Illinois Senate would combine Venice, Granite City, Namodel, 1919 Third street, Madison county, and Collinsville townships of Madison county with Belleville, Caseyville, St. Clair, Lebanon and O'Fallon of St. Clair county in a 160,000-population 50th Senate district.

The rest of Madison county and all of Jersey county would form a 51st district of 182,960 people, while East St. Louis, Canton, Centerville, Millstadt, Pontiac du Long, Saukville, Stiles, Stokely and Sugarbald townships would form a 161,000-population 51st Senate district. There would be 30 downstate districts, 20 in Chicago and nine in Cook county suburbs.

Earlier, Republicans proposed grouping the Quad-Cities and East St. Louis in an Illinois House district. Democrats suggested House and Senate districts linking the Quad-Cities.

State Seeks Crackdown On Minors Who Drink Quad-City police chiefs and liquor commissioners and other Madison county officials and law enforcement authorities are among those receiving requests from the Illinois Liquor Control Commission to participate in "Operation Minors-21." They are being urged to begin, after due notice, to prosecute persons less than 21 years old for possession, purchase, or consumption of alcoholic beverages.

Attempting to halt the increasing problem of minor drinking, the state commission has prepared a pamphlet directed to minors. It explains the law on buying or possessing alcohol and relates problems "young people create for themselves if they violate the law." Over a million copies are to be distributed through schools, PTAs, civic

Valuations Up \$5,698,000 For 4 Quad-City Townships

An increase of \$3,698,000 in the 1964 assessed valuations of the Quad-City townships of Granite City, Venice, Namodel and Chapultepec was shown today in an announcement of new assessments completed by the Madison county board of review for tax extension purposes.

The new assessment of property in Madison county was filed at \$82,623,000, an aggregate increase of \$2,834,125 over the 1963 valuation of \$79,788,875 in the county's 21 townships. These assessments do not include railroad and capital stock valuations, which are established by the Illinois Department of Revenue.

Miss Eudelia Hotz, county clerk, said the new assessment figures were certified to the state revenue department yesterday.

15 Undergo Surgery At Hospital This Week The following are recovering at St. Elizabeth Hospital from surgery which they underwent since Monday:

Gene Volter, 3700 Pontoon road; Donald Miller, 914 Garfield; Brenda Madison; Evelyn Miller, 2425 Roney drive; Betty Hall, 2513 Grand avenue; Retha May, 2014 Twenty-fourth street; Madison; Shirley Batson, 1961 Center street; Jennifer Ballard, 2663 East 21st street; Edith Huthman, Alton; Edna DuPain, 1724 Madison avenue; Mary Ann Thornton, 2224 Iowa street; Eleanor Miller, 2828 East 21st street; Russell Gibson, 1613 Mitchell avenue; Mary Carrington, Collinsville; Vasilika Popper, 1109 Madison avenue, Madison.

It's Up to City Robert Kronst, district engineer of the State Highway department, held out hope in a letter to the city council Monday that the widening of Nameoki road may be widened by the end of the construction year, even though completion of the job would extend into 1966.

In one of three letters sent by Kronst to city officials concerning the Nameoki road improvement, the engineer said that widening of the road could be accomplished if right-of-way details and other preliminary work could be completed in time to call bids for the project "by mid-year."

In another letter, Kronst informed the council he had talked with Joseph Kelleher of the Chicago Title and Trust Co., which is handling the title work on the right-of-way parcels, and had been assured the work of preparing title reports would be speeded up. City officials previously had complained of a "slow down" in title preparation.

Kronst also notified the city, in still another letter, that the right-of-way parcels, appraised at 21 tracts of right-of-way needed at the intersection of Nameoki and Pontoon road, and westward on Pontoon road to the County road. He said state approval of appraisals for this right-of-way would not be necessary, that the city can proceed with the right-of-way work up to the point of purchase. The city will reserve the right to approve the purchase amounts fixed on the parcels.

All In Negotiation Meanwhile, Andrew Gasparovic III, who has been handling appraisal work for the Nameoki road project, and City Atty. George Filford Jr., who has been handling negotiations, today had placed all of the right-of-way tracts in negotiation through notices sent to property owners.

Gasparovic and Filford notified owners of all property on which negotiations have not yet been completed in a March deadline for completion of right-of-way work has been set and that

Valuations Up \$5,698,000 For 4 Quad-City Townships

An increase of \$3,698,000 in the 1964 assessed valuations of the Quad-City townships of Granite City, Venice, Namodel and Chapultepec was shown today in an announcement of new assessments completed by the Madison county board of review for tax extension purposes.

The new assessment of property in Madison county was filed at \$82,623,000, an aggregate increase of \$2,834,125 over the 1963 valuation of \$79,788,875 in the county's 21 townships. These assessments do not include railroad and capital stock valuations, which are established by the Illinois Department of Revenue.

Miss Eudelia Hotz, county clerk, said the new assessment figures were certified to the state revenue department yesterday.

List Area Values The new 1964 assessment for Granite City was fixed at \$151,092,000, an increase of \$1,874,339 over the 1963 valuation of \$149,217,661. Other Quad-City assessments are:

Venice, \$82,353,710, an increase of \$1,262,720 over the 1963 value of \$81,090,990.

Namodel, \$26,351,810, an increase of \$1,305,645 over the 1963 value of \$25,046,165.

Chapultepec, \$20,429,695, an increase of \$301,105 over the 1963 value of \$20,128,590.

Increases were made in 16 of the 21 townships, with decreases being shown only in Marine, Olive and O'Fallon townships. The combined decrease in these three townships amounted to only \$30,105.

Largest increase in value of any one township was in Wood River where frequent disputes have occurred over assessment figures applied in extension of lot valuations. The Wood River valuation was fixed at \$305,314,186, an increase of \$9,303,360 over its previous assessment of \$296,010,826.

Personal Values Up The new total value for the county includes \$240,773,725 in personal property, \$210,615,883 in lands, \$370,616,110 in automobiles and other personal property.

(Continued on page 18, col. 7.)

Unnegotiated parcels as of the date will be placed in condemnation.

This was in line with a decision reached in a meeting of Granite City representatives and Madison county highway officials Jan. 22 to place road project under construction at that time the city set a March 1 deadline for completing right-of-way work after Kronst pointed out that the city was clearing away the last of its appraisal reviews.

Amendment was made today that appraisal reviews on all 20 tracts of right-of-way have been prepared from the state and that all 49 tracts now are in negotiation.

30 Tracts Ready Gasparovic told the Press-News that the 30 tracts of right-of-way were ready for negotiation with the city.

Gasparovic and Filford notified owners of all property on which negotiations have not yet been completed in a March deadline for completion of right-of-way work has been set and that

Madison Approves Joint Agreement On McCambridge

The Madison city council Tuesday night approved a joint agreement with Granite City to improve McCambridge, a San Antonio street in the city and Martin street at a cost of about \$80,000. It will provide a new major artery for the two cities.

The council also approved a major fuel tax resolution appropriating \$80,000 as Madison's share of the cost. It is subject to the approval of the state highway division before construction bids can be called.

Granite City city council approved the agreement and its \$45,000 share, Jan. 25. Martin street will be renamed McCambridge avenue, and the improvement will extend to the 14th ward street road intersection. The street will be widened to 36 feet and will include storm water drainage, curbs, gutters, sidewalks, electric traffic signals, removal of Union Electric Co. towers and an eight-inch gravel or crushed stone base course with a bituminous asphalt surface.

Heavy Traffic Expected
Mayor Stephen Madison said it will be similar to Madison avenue's surface. Heavy traffic is expected. Maintenance costs will be divided proportionately by the two cities. Joint action by the two cities was first proposed 10 years ago, but the project was not placed on Granite City's priority list on street improvements.

The ordinance eliminates the adopted recently by the Madison council to resurface McCambridge to Elizabeth street, retaining the current 20-foot width at a cost of about \$26,000. A. H. Seybold & Co. was the low bidder on that project. Mayor Maers said that firm will be asked to bid again.

The mayor noted that the expanded project is costing Madison about twice as much as the original proposal. He said he is happy to cooperate with our neighbors. This primarily is for the benefit of Granite Cityans.

Labor Dispute
The mayor informed the council that he had intervened in the dispute between the laborers union and the East St. Louis & Interurban Water Co. as authorized, offering any assistance the city could give.

He said he was informed by Jack Green, union business agent, that all emergency work is being done. Aldermen said water main leaks at the 800 block of Washington avenue and at Second and Washington streets, West Madison, which had led to complaints, have been repaired.

The Illinois Power Co. has been authorized to convert the city's street lighting system from 4000 lumen light bulbs to 10,000 lumen mercury vapor lights. Maers noted that a suit has been filed in Madison county circuit court for authorities to raze a dilapidated building owned by Rno Zerkulien in the 1400 block of Third street. The "red tape" and the length of time required before the case is called for a hearing.

Police Continue Probe In Keel Murder Case

St. Clair and Madison county authorities are continuing their investigation into the murder of Elton Eugene Keel, 24, Granite City hoodlum, whose bullet-riddled body was found the night of Jan. 23 in his auto on Dunkum road near Caseyville. Joseph Rodriguez, chief investigator for the St. Clair-county sheriff's office, said attempts are still being made to determine the location of the shooting. Keel was found with six bullet holes in his body, but there was very little blood in his car. The body had been flamed behind the steering wheel.

However, various associates of Keel are being picked up for questioning. Rodriguez said, Keel had a long arrest record in the Quad-Cities and the two counties and received a 5-to-7 year prison sentence in 1954 for burglary and larceny.

IMRF Authorized Agents Invited to View Movie

Wilbur Trimp, Madison county superintendent of schools, has invited authorized agents of Illinois Municipal Retirement Funds in the county to view a film entitled "Securing the Future" to be shown at 2 and 7 p.m. next Tuesday in the county court house at Edwardsville. It describes IMRF and how it works. James F. Glasgow, director of public relations, IMRF, will answer questions at both showings. The film will be available through next week for other showings.

Garbage and Politics Big Issue for Council

Keep garbage out of politics almost became the 1965 slogan in Granite City Monday night.

The council rejected Mayor Davis' appointments to a Sanitation committee made last Thursday and urged that the decision of future garbage and trash collections be kept out of the city political pot, with the council as a whole serving on the committee.

The mayor had named Mrs. Bettine, a candidate for mayor, as chairman and Alderman Johnson, a candidate for reelection and Sandy Pence, a dropout, to the committee.

The committee was to have worked with the Finance committee to determine if the city should reestablish a sanitation department or continue with private contractor at a \$147,500 yearly cost basis.

None Might Return
Johnson immediately attacked the appointments, saying it was possible that none of the members would be on the council May 21 when the present contract expires.

He and Mayor Davis debated briefly and the mayor refused to recognize his motion for a full council committee. Later Davis agreed it might be a good idea, but he was reminded the municipal code limits standing committees to three members.

The election of two years ago when several aldermen seeking reelection were defeated, was reshaped, and several council members said the defeats were due to the switch from a private contractor to a city sanitation department.

"We don't want a repeat of this in reverse," was the cry of several members who recalled picketing at the homes of aldermen by former city employees.

It also was recalled the city sold its equipment, including a new truck about \$8500, an equipment was valued at \$28,000. The vote on the mayor's appointments was 7-to-8, and Davis also voted to throw it into a tie and possible review at the next meeting.

Supporting the mayor were Nann, Skubish, Basarich, Mrs. Bettine, Bartoski, Bergfeld and Pence. Opposing the selection were Partney, Rutledge, Whitner, Johnson, Boyd, Moore, Stenberg and Thompson. Dallas was absent.

The Finance committee was asked to proceed with its cost study until the Sanitation committee is reformed.

Later in the meeting, Partney submitted figures for operation of a city department. He said trucks with 13 cubic foot bodies could be leased for \$3000-a-month, including maintenance and insurance. "We'd need four with a fifth one for standby so with one-man operation, that cost would be about \$81,000-a-year plus the cost of gasoline and oil and maintenance of the dump. I figure it would be \$86,500 a year compared to the contract cost of \$147,500."

His action was taken on his report.

Active support by the district USWA leadership of the candidacy of I. L. Abel for president of the United Steel Workers of America is being offered to some extent in this area, principally by older workers who point to the many strike-free years in the steel industry in the Quad-Cities, particularly Granite City Steel Co.

This group, despite urgings of Lloyd McBride, the union's incoming district director, that Abel be elected over incumbent President David McDonald, supports McDonald policies that they claim have attribute to long work periods interrupted by strikes and union difficulties.

McBride urged support of Abel, now secretary-treasurer of the international union, at a recent meeting of local stewards at Alton, at which McBride centered his attack upon McDonald with regard to the president's accessibility to area leaders. At the same time, Abel's campaign headquarters released a statement claiming that a poll conducted in every district of the union indicated Abel will win the election by a two-to-one margin.

The statement said Abel was elected by 62-38 per cent of the members, with McDonald receiving 33-33 and 63-67 undecided.

This was in direct contrast to an announced poll by McDonald, a week ago in 23 of Wood River, during a bar which a 58-42 edge was given McDonald, with 1-5 undecided. That poll also was taken during the same rank and file of the Edwardsville was completed yesterday, according to the announcement.

The battle between McDonald and Abel has created a wide split in the ranks of the steelworkers. Membership voting is scheduled for Feb. 10, 1965, at the second contest in the union's 25-year history.

Sentencing of Kurtak, Stone Set for Friday
Sentencing of Roy Kurtak, 36, of Granite City, and Bryan Carl Stone, 34, of Wood River, convicted of murder of a burglar, was set for Friday morning by Associate Judge Fred Schuman.

The pair pleaded guilty to the fatal shooting of Joseph Zappa, 23, of Wood River, during a bar which a 58-42 edge was given McDonald, with 1-5 undecided. That poll also was taken during the same rank and file of the Edwardsville was completed yesterday, according to the announcement.

Mediation Hearing On Strike Planned

A mediation hearing to consider or issues involved in the strike of 16 laborers of the Granite City division of the East St. Louis & Interurban Water Co. is expected to be scheduled soon in an attempt to settle the three-month-old walkout. It was reported to the U. S. Mediation Service Tuesday after repeated meetings failed to result in settlement of issues at debate in contract talks between the firm and Laborers Local 397. The old contract expired last Aug. 21.

E. C. Smith, manager of the water district at East St. Louis, said mediation officials have discussed the matter with company officials and that he has been informed they also talked with union representatives.

Two Autos Damaged
Two autos were damaged at Fourth street and Madison avenue in Madison Wednesday at 4:40 a.m. John W. Lemmon, Edwardsville, reported he was headed west on Fourth street and was turning into a driveway when a car driven by Everett D. Turner of 2813 Dowdwood drive backed his car and struck him.

Narrow Street Causes Crash
The left fronts of cars driven by Mary A. Howell, Belleville, and Pearl Kennedy, 2528 State street, were damaged as they skidded on ice and collided at 2435 Grant avenue at 2:30 p.m. Tuesday. There was insufficient room to pass.

GC Rotary Club Tours Army Depot Tuesday
Facilities and services at the Granite City Army Depot were inspected Tuesday by 35 members of the Granite City Rotary Club, who were guests of Col. Charles B. Schweizer, depot commander.

A two-hour tour of the army installation followed a noon luncheon in the officers' mess. Col. Schweizer, a member of the club and the day's program chairman, welcomed the Rotarians and introduced several guests.

Preceding the tour, Lt. Col. Robert P. Arnsperg, deputy commander, presented a series of slides and described the depot's organization, responsibilities and primary mission in support of its military and civilian programs.

Next Tuesday, in observance of National Boy Scout Week, Rotary club members will view the initial showing of a film taken during the 1964 National Boy Scout Jamboree at Valley Forge, Pa., in which 53 Quad-City Boy Scouts participated.

The program also will feature a talk by a local Explorer Scout on "Our American Heritage."

Area Steelworkers Boy Scout Week Opens Sunday; Events Planned

Emphasis on how the program of the Boy Scouts of America helps to strengthen America's heritage will be the major feature of Boy Scout Week starting Sunday.

The nation-wide observance will celebrate the 53th anniversary of the youth movement with the theme "Strengthen America's Heritage." A. P. Steinhauer, president of the Chokio Mound Council, said today.

More than 165 Cub Scout packs, Boy Scout troops and Explorer posts in the council will hold sponsored birthday dinners for parents, present advancement awards, participate in religious services, take part in good turns and make reports to their chartered institutions.

"For 53 years the Boy Scouts of America has been a major influence in training American youth in character values, citizenship skills and attitudes and physical fitness," Steinhauer said.

"During Boy Scout Week, we will again make it possible for parents and the general public to see scouting in action and to learn more of the depth of its program for boys from eight years of age to manhood."

The Chokio Mound Council will be represented in the annual report to the governor on Monday and Tuesday by Fred Schrage, Eagle Scout from post 35, sponsored by Trinity Lutheran Church, Edwardsville.

False Identification
"No person shall transfer, alter or falsify such an identification card, use the identification card of another, carry or use a false or forged card or obtain an identification card by means of false information." Each violation is subject to a fine of \$25 to \$100.

The commission said this week that violations have led frequently to license revocations or suspensions for illegal sales, but that purchasers have been permitted to go free of prosecution.

However, some area taverns have for several years stressed the penalties to teenagers in notices posted in the establishments, so some customers have interpreted these as warnings to families not to file charges.

Only four identification cards have been issued by the Madison county clerk's office during the past decade, records show.

East Alton authorities Monday night arrested a youth, 20, for possession of an altered driver's license. An "expert" who appeared did the alteration is being sought.

26th-Cleveland Accident
Auto driven by Faye Meier, 2709 Center street, and William Lindsay, 2133 Delmar avenue, collided at 11:35 a.m. Wednesday at 26th street and Cleveland boulevard.

Two Wheel Discs Stolen
Jack Mulach, 38 Long, reported that two wire wheel discs were stolen from his parked car at Delmar avenue at Central junior high school between 7 a.m. and 4 p.m. on Jan. 27.

Driver Injured
Robert P. Chase, 22, of 1624 Spring avenue, suffered minor injuries when he auto collided with a car driven by Sidney Magnus, 77, 2431 State street, as Magnus was making a left turn off Nankook road into Richmond avenue at 1:10 p.m. Wednesday. Magnus was charged with failure to yield right-of-way.

Tom Green, 15, of 2418 Pine street was released after treatment at St. Elizabeth Hospital at 9:45 p.m. Wednesday for back and right shoulder injuries sustained in an auto mishap.

Later Population Figures
At a House reapportionment meeting yesterday in Springfield, Replicans suggested use of census estimates later than the 1960 federal census.

Sen. Paul Simon (D. Ill.) this week introduced a bill calling for screening of dumping areas and auto "graveyards" located along or within a quarter-mile of state highways. Operators would have to provide two rows of trees or shrubs or other natural growth. Simon also proposed taxing an additional 2 1/2% of horse race and harness revenue, to net the state \$10 million a year.

Rep. John Houlihan (D. Park Forest) introduced a measure requiring merit-system county police departments in counties of 100,000 or more people. Sheriff Barney Fraundorf of Madison County said Wednesday he favors the plan.

The Illinois House yesterday unanimously passed an \$187-million appropriation guaranteeing full state aid to public schools for the final five months of the current fiscal period. Aid here and elsewhere had been jeopardized when funds ran out.

Hospital with a swollen right eye. He was X-rayed and was released after treatment. A witness said the boy also ran in front of his car but he was able to stop in time. The boy is a second grader at McKinley school and was returning home.

Four Youths Injured
Four youths were injured when a car, driven by John E. Hooper, 18, of 2100 Garfield avenue, and James W. Colp, 17, of 4121 Kirkpatrick Homes, collided at 3:40 a.m. Monday at Garfield and Franklin avenues.

Treated and released at St. Elizabeth Hospital were Hooper with multiple facial scratches and a passenger, Paul Podraza, 17, of 2945 Woodlawn avenue, with pains to the right side of the body, contusions to the right shoulder and abrasions to the right ankle. Also listed as injured were Cathy Simurcia, 17, of 2133 Woodlawn avenue, another passenger in the Hooper car, and Cindy Slattery, 16, of 8013 Vesel avenue, a passenger in Colp's auto, who complained of pains.

The right side of Hooper's car and the front of the other were damaged. Both were towed to garages.

Four-Car Collision
Two persons were injured in a four-car chain-reaction collision at 3:15 p.m. Monday on Route 3 at West 26th street as a car driven by Charles Valle, 29, of 4332 Walter avenue, struck the rear of a car driven by Floyd McClellan, Wood River. His car then was struck by Louis Emery, Godfrey, into the rear of one driven by Kathryn Schell, 2415 West 26th street, who was stopped to make a left turn.

Hurt were Valle, who was taken to St. Elizabeth Hospital, and Gladys McClellan, 38, of Wood River, a passenger in the McClellan car. She had minor injuries. Valle struck his steering wheel and was admitted with chest and lower abdomen injuries.

Driver Injured
Robert P. Chase, 22, of 1624 Spring avenue, suffered minor injuries when he auto collided with a car driven by Sidney Magnus, 77, 2431 State street, as Magnus was making a left turn off Nankook road into Richmond avenue at 1:10 p.m. Wednesday. Magnus was charged with failure to yield right-of-way.

Tom Green, 15, of 2418 Pine street was released after treatment at St. Elizabeth Hospital at 9:45 p.m. Wednesday for back and right shoulder injuries sustained in an auto mishap.

Later Population Figures
At a House reapportionment meeting yesterday in Springfield, Replicans suggested use of census estimates later than the 1960 federal census.

Sen. Paul Simon (D. Ill.) this week introduced a bill calling for screening of dumping areas and auto "graveyards" located along or within a quarter-mile of state highways. Operators would have to provide two rows of trees or shrubs or other natural growth. Simon also proposed taxing an additional 2 1/2% of horse race and harness revenue, to net the state \$10 million a year.

Rep. John Houlihan (D. Park Forest) introduced a measure requiring merit-system county police departments in counties of 100,000 or more people. Sheriff Barney Fraundorf of Madison County said Wednesday he favors the plan.

The Illinois House yesterday unanimously passed an \$187-million appropriation guaranteeing full state aid to public schools for the final five months of the current fiscal period. Aid here and elsewhere had been jeopardized when funds ran out.

Public Aid Loophole On Quitting of Jobs

Mrs. Margaret H. Hance, Madison county superintendent for Illinois public aid, told Madison Board of Public Aid that financial aid for dependent children continues even when the unemployed father quits a new job after a day or two. Aid halts only if he refuses to start a job that is offered, she explained in reviewing the aid program.

An example cited by a Rotarian was a Venice man who quit work that would have earned him \$50 for 40 hours' work; instead he could get \$75 from the state and work 40 hours or less monthly sweeping streets as an aid recipient. Mrs. Hance stressed the value of the aid in preventing extreme poverty, and said progress is being made through education and counseling in removing individuals permanently from aid rolls.

William Radman was program chairman. Guests were Mrs. Pearl Heidinger, casework supervisor of the office at the Venice Homes, and her caseworkers, Mrs. Marie Aton, Mrs. Charlotte Ambuhl, Mrs. Melba Jane Dillinger, Miss Tess Lane and Miss Pat Pero.

Hit-and-Run Accident
Clarence Pettit, 3294 Kirkpatrick Homes, reported at 9:25 a.m. Wednesday that the left side of his auto was damaged by a hit-and-run driver while it was parked last Friday at the old nearby street car right-of-way. He said it was a green 1957 model with right front damage.

Breese at Venice For Crucial Game

Tied for the league lead, Venice's Red Devils and Breese's Cardinals engage in crucial high school basketball conflict at 8:15 p.m. tomorrow in the Venice gymnasium.

The Devils, defending Madison-Clinton-Macoupin Conference champions, improved their record to 6-2 Tuesday with a 67-79 win at Worden. At the same time, Westcott did Venice 44-36 by edging Breese 33-32.

As a result, both have 6-2 records in the conference with four MCM games remaining on their schedules. Westcott, which had lost Venice 63-62 last Friday, is also in the running with a 6-3 mark, a half-game off the pace.

Breese, 13-6 overall, topped Venice 50-47 on Jan. 5. The Cardinals' first league loss was administered by Westcott 86-84. The intervention of Westcott's Warriors has been something of a surprise since they lost their first five games of the season. Since, however, they've won 10 of 13 games.

Flurry of Pounds
Players on both teams ran into foul trouble at Worden Tuesday. The Devils' Percy Dillon and Rich Jackson fouled out, and teammates Denny Hill and Rich Essington finished the game for each. For the host Trojans, Len Schell and Fred Rader were both disqualified and three others finished with four fouls. Dillon, because of fouls, played only about half of the first two quarters and picked up his fifth foul trouble at Worden.

personal early in the second half. As a result, he scored only six points — his low total of the season.

Jackson sat out about one-and-a-half quarters but managed to bucket 12 field goals and two free shots for 26 points before fouling out in the last quarter. Essington checked in 18 minutes, Jerome McGinnis hit 11 and freshman Johnny Gardner and Denny Hill each scored 10 for the Devils.

30-Point Quarter
Coach Ron Hampton's Trojans launched a two-prong attack with Wallace Daube scoring 27 and Keith Loomer 26.

Venice raced to a 28-10 advantage in the first quarter but Worden scored 30 points in the next period and closed to within five (43-40) by halftime. With virtually everyone on the court in the next period, the emphasis was on offense.

"We couldn't play any defense," said Venice mentor Bill Ohlendorf. "We just let them come down and shoot. We were lucky to win. Officials called a total of 53 fouls — 25 on Venice and 28 on Worden. Venice's jerseys lost, only the second setback in a dozen games, by 44-38. Gardner scored 10 and Jesse Hall hit eight for the Devils.

Coolidge Team Finishes With Perfect 12-0 Mark

Coolidge's seventh grade basketball team finished with a 12-0 record Monday by scoring a 30-21 triumph over Cahokia.

Dave McKinney scored 10 points and Gary Penrod and Ron Simpson hit six each for Coolidge. The team was coached by Skip Hastings.

EAST SIDE STARS on Sanford-Brown College team, leader of the Greater St. Louis College Conference, include, from left, Ron Motin of Collinsville, Calvin Dixon of Venice, and Bob Simpson and Carl Wortman, both of Granite City. Motin and Simpson played high school basketball at Collinsville, Dixon at Lincoln of Venice and Wortman at Granite City.

Trojans Ambush Pioneers for 9th Win, Face Shells in Midwestern Encounter

Madison's Trojans came back over the 500 level with a 64-53 triumph of Assumption's Pioneers in East St. Louis and will try to do the same in the Midwestern Conference tomorrow night.

Overall, coach Earl McClanahan's team has nine wins, eight losses. In the conference, the club is 3-3 and meets Midwestern for Roxana at home, starting at 8:15 p.m. tomorrow.

Roxana's Shells, perhaps the most unpredictable prep basketball team in the area, stand 5-10 overall and 4-3 in the conference—a record that includes a 64-52 victory over Madison on Dec. 4.

The Shells, directed by ex-Alton coach Herman Edwards, have upset such formidable opponents as Edwardsville (78-74) and Highland (76-57), yet have lost to several less-imposing squads including Jerseyville (65-59) and O'Fallon (78-73).

"The Trojans ripped Assumption defenses in the second quarter Tuesday after trailing the

East Young Men Go West a Bit, Star at Sanford

John Campbell, Sanford-Brown College basketball coach, told eastward with gratitude when he talks about the Normandy, Mo., business school's successful team.

"Four of our starters are from Illinois and they've done quite a job for us," he says happily. Playing some rather tough, small college and independent competition, Sanford has won 10, lost six and leads the Greater St. Louis College Conference with a 7-0 record.

Former Granite City high school ace Carl Wortman guided some starters earlier this season when he cracked the 2000-point mark for a career. Now another former Granite City player has passed a milestone.

He's Bob Simpson, ex-Madison resident who went on to play at Collinsville high school and now lives in Granite City. The 5-11 guard, in Sanford's last game, passed the 1000-mark — only player from the school other than Wortman to reach that total.

Like Wortman, Simpson is on a rigorous school and work schedule. He works an 11 p.m. to 7 a.m. shift at a local dairy and attends day school from 8:15 a.m. to 1:15 p.m. in his "spare time" he grabs a bit of sleep and plays basketball.

Last year the ex-Kabot star set an all-time Sanford field goal accuracy record, hitting 27 of 32 attempts for 84.3%. This season he's hitting at a 48.6% pace.

Other members of Sanford's East Side starters are Calvin Dixon, former Lincoln of Venice, and Ron Motin, Collinsville ace. The duo is consistently in double figures.

Quad-Cityans have an opportunity to see the Sanford team at 8 p.m. Saturday in a game at nearby Scott Air Force Base.

Coach Takes The Cake—Trophy, Too

A huge birthday cake, a silver trophy and heaps of praise were conferred upon Granite City high school wrestling coach Bill "Red" Schmitt at a special dinner Monday night at the YMCA.

Schmitt, now in his 13th season, has an amazing coaching record of 175 wins and 11 losses, just 14 losses and one draw in dual matches and 30 other triumphs — 13 sectional tournaments, seven district, five holiday meets and five quadrangulums.

Principal Lawrence McCahey presented Schmitt with an "award of merit" trophy from Sports Illustrated magazine which made note of Schmitt's success in a recent issue. He received a standing ovation from the 75 persons attending.

Boosters of the Fighting Warriors, the sponsoring group, presented the coach with a cake in celebration of his 43rd birthday anniversary.

Early Days Recalled
"McCahey recalled wrestling early days at GCHS when he was a math official — the only one around — and Robert Erdman, a drafting teacher who had no wrestling experience, was coach.

"The boys used to wrestle in a small classroom, dragging the mats in and out everyday, and exercised by running up and down the school hallway," the principal recalled.

McCahey noted that Schmitt wrestled four years at Alton high school and served in the Army for three years in North Africa and Italy during world war II.

A service cartoonist, Schmitt's work was published in several magazines and newspapers, including the Stars & Stripes.

He received his bachelor's degree from Shurtleff College and his master's degree from the University of Illinois. He coached at Western Military Academy.

Advisory Board Member
Schmitt was the first high school wrestling coach to be named to the high school wrestling advisory board and the only one ever to be reappointed. Rules and procedures formulated by the board govern high school wrestling throughout the country.

Crediting the cooperation of the school administration and the hard work of his athletes for his success, Schmitt introduced several formal GCHS wrestlers and members of the current squad.

At a brief, Boosters meeting, Mrs. Irene Davies and Mr. Mildred Nash were named co-chairman of a fund-raising project and tentative plans were made to include a wrestling program at the high school for the Feb. 15 meet.

Don Holmes, assistant basketball coach at O'Fallon high school, has been appointed head coach for 1965-66. He will succeed coach Bob Bellina who has resigned, effective at the end of the current season.

GC Tries to Shake 5-Game Loss Streak

Without a victory since Jan. 15, the Granite City Warriors try to break a five-game losing streak tomorrow night against the last team they defeated.

The high school eagles visit quarter-city high school tomorrow night at 8:15 p.m. tomorrow. Since beating the Tigers 81-63 in the semifinals of the Dupo tourney last month, the Warriors have lost to Belleville 44-38, Edwardsville 44-38, and East St. Louis and Edwardsville 44-38 in the Southwestern Conference.

Coach Andy Sullivan hopes the break from conference competition will provide the opportunity to put his team on the winning track. The respite will be short, however, for Saturday night the Warriors visit the Wood River Oilers for another Southwestern encounter.

Dupo Stars 11-9
Dupo, coached by Clay Landon, has an 11-9 record and finished 5-5 in the Midwestern Conference after losing to Cahokia 73-38 Tuesday. Granite City is 5-13 and has lost all 10 Southwestern games.

Sullivan was a bit encouraged last Friday as his team improved, though losing 85-75 to Edwardsville, over the performance in Friday night's 66-51 loss to East St. Louis.

After hitting just 27% from the field against East Side, the Warriors made 47% despite playing on a strange floor at Edwardsville.

Moore at Best
"I thought (Terry) Moore played his best game of the year for us," Sullivan said, "and (Bill) O'Neill did pretty good job, too." Moore popped in 18 points, including three quick field goals to tie the score 25-25 in the second quarter.

The total was sophomore Moore's highest of the season. O'Neill had scored 12 points the previous night, marking the first time he'd hit in double figures. Larry Ripka's 22 points were high at Edwardsville and matched his season-best scoring effort of the season.

Wood River's Oilers own a 9-7 record, including 4-4 in the conference. They whipped the Warriors 80-59 here Dec. 19.

State Game Finals Will Be Televised

Semifinals and finals of the Illinois state basketball tournament March 20 will be televised for the 14th consecutive year.

Sportscasters will be Jack Deen, Tom Kelly and Vince Lloyd. Program hosts will be former Miss America Marilyn Van Derive and Ed McMahon of Johnny Carson's Tonight show.

The telecast, sponsored by Illinois Bell Telephone Co., will be over St. Louis station KETC, Channel 9.

Triad Adds Football, May Join Midwestern

Triad high school at St. Jacob will add football to its athletic program next fall and is reportedly seeking admission to the Midwestern Conference.

School officials say the sport will be restricted to freshmen in 1965. The following year, it will include the sophomore class and by 1967 will be a varsity sport.

Present Midwestern Conference members are Madison, Belleville, Roxana, Cahokia, Dupo and Highland. According to another report, Mater Dei of Breese is also considering starting a grid program.

SCORING TOTAL OF 22 points last weekend was 6-1 junior Bill O'Neill of GCHS.

O'Neill did a pretty good job, too. Moore popped in 18 points, including three quick field goals to tie the score 25-25 in the second quarter. The total was sophomore Moore's highest of the season.

O'Neill had scored 12 points the previous night, marking the first time he'd hit in double figures. Larry Ripka's 22 points were high at Edwardsville and matched his season-best scoring effort of the season.

Wood River's Oilers own a 9-7 record, including 4-4 in the conference. They whipped the Warriors 80-59 here Dec. 19.

Cecil Bell Owns 9-Point Average

Former all-Midwestern Conference star Cecil Bell is averaging nine points for Canton (Ill.) Junior College, according to mid-season statistics just released.

Bell, used primarily in reserve roles, has scored 126 points in 14 of the team's 15 games (10 wins, five losses). The Crusaders have won their last six contests.

The Madison high school graduate has hit 46 of 140 field goal attempts for 32% and 34 of 49 free shots for 69%. He has pulled down 60 rebounds and made 21 personal fouls.

Tramaine Cuy Nunn of East St. Louis is a member of the Press-Record's all-Southwestern Conference team at a mere 5 feet six inches. He is averaging the points per game as a regular.

O'Fallon Coach Appointed
Don Holmes, assistant basketball coach at O'Fallon high school, has been appointed head coach for 1965-66. He will succeed coach Bob Bellina who has resigned, effective at the end of the current season.

Elkettes Plan Sweetheart Dance

The Elkettes held a pot luck dinner preceding their regular meeting Tuesday evening. Announcement was made of a "sweetheart" dance to be held Feb. 13 and a cocktail hour from 9-10 o'clock.

Mrs. Ann Gasparovic, Mrs. Ella Wade, Mrs. Bernice Giesek and Mrs. Ann Fierce were in charge of arrangements and 51 were seated, including a new member, Mrs. Doris Gushloff, who was welcomed by the group.

The remainder of the evening was devoted to games and prizes went to Mrs. Arline Jones, Mrs. Anadell Grant, Mrs. Alice Bille, Mrs. Clara Harbig, Mrs. Gushloff, Mrs. Ethel Hansel, Mrs. Dorothy Copeland, Mrs. Helen Meyer, Mrs. Helen Todd and Mrs. Robbie Foy. Mrs. Meyer also received a special award.

The entertainment committee consisted of Mrs. Joyce Barnes and Mrs. Olive Kaleri.

Women, Girls Fellowship Dinner

Nearly 200 persons attended a women and girls fellowship dinner and program Monday evening given by the Afternoon and Evening Guilds of St. Peter E & R Church.

A Valentine theme of red and white was used and the tables were decorated with candles and white mums in bud vases.

The meal was served at 6:30 by the men of the church and a singalong and style show followed. Miss Leona Wintergryer was in charge of the show and 14 models from the two groups paraded in various costumes ranging from sport dresses, garden attire, park wear, afternoon tea dresses, car coats, fun dresses, evening wear and other regalia, all in a humorous vein.

Other chairmen were Mrs. Dorothy Buente and Mrs. Ronice Branding and Mrs. Rosalie Kabebeck.

SORORITY HOLDS BUSINESS MEETING

Eta Chapter of the Phi Tau Omega sorority held a business meeting Monday evening at the Elks Club with Mrs. Laura Boyd, president, in charge.

Committee reports were given on a plastic party to be held March 1, and on the spring dance scheduled for March 27.

Prizes went to Miss Elmer Hutscher and Miss Martha Ruth Thomas.

New County Home Advisor Visits Local MCHE Trio Unit

The Trio Unit of the Madison County Homemakers Extension, meeting Tuesday afternoon at the Hope Lutheran church, had as a guest, Mrs. Catherine Mauck of Belleville, Madison County Home Advisor, who assumed her new duties Feb. 1.

After a short talk Mrs. Mauck gave the lesson for the month entitled "Pictures For The Home." While displaying pictures by well-known artists, Mrs. Mauck explained the proper method of matting, framing and hanging paintings. She explained that great art reaches far down in human emotions and encouraged the members to develop their powers of appreciation in order to enable them to respond to the object appropriately by visiting galleries with their families.

Mrs. June Lux, Unit chairman, presented the new advisor with a gift of appreciation and Mrs. Mary Mauck gave a lesson on "Insecticides." Announcement was made of the annual county meeting at Eden United Church of Christ in Edwardsville April 29. Also planned is a tour of the Granite City Army Depot on Feb. 16. Members are to meet at the gate at 10 a.m. Following lunch they are to tour St. Elizabeth Hospital.

Mrs. Fellers Named Delegate

Veterans of World War I Barracks 34 and the auxiliary met Tuesday evening at the VFW hall.

Elmer Swanson, commander, was in charge of the Barracks meeting. Mrs. Joan Stanton, senior vice-president, was in charge of the auxiliary meeting. It was announced that a board meeting will be held Feb. 6-7 at Springfield, Ill. Mrs. Kathryn Fellers, past national president, will attend.

A monetary gift was made to the VFW auxiliary in appreciation for use of the hall facilities. The members were urged to write to their senators seeking aid in preventing the proposed closing of veterans' hospitals in Illinois. A meeting of District Four will be held Feb. 14 at the American Legion home in Edwardsville.

Following its business meeting, the auxiliary was joined by the Barracks members and a luncheon was served to 47 persons. Hostesses for the evening were Mrs. Gussie Musterman, chairman, and Mrs. Sally Robinson and Mrs. Mabel Clarke.

DeMolay Mothers Plan for Supper

The DeMolay Mothers club met Tuesday evening at the Masonic Temple for a monthly meeting. Mrs. Martha Ebrecht, president, led the members in the pledge of allegiance and the Lord's prayer.

Reports were given by Mrs. Marie Noth and Mrs. Doris Mathews. A discussion was held on a chili supper to be held at the Masonic Temple Feb. 16. It will be a DeMolay project, with the mothers' club assisting. The meeting closed with the Mothers' Creed repeated in unison. Mrs. Verna Stewart and Mrs. Elsie Henley served refreshments to 50 youth, their advisors and club members.

Present were Mesdames Emma Bessley, Bernice Fitzpatrick, Lucille Lipe, Betty McClintock, Marabeth McConnell, Margaret Love, Retha Mehl, Thelma Morris, Evelyn Ringering, Bess Rucker, Martha Rochester, Norma Jean Ross and Marcelle Noud.

Sewing Bee For Missionary

Taking the place of the regular meeting of the United Presbyterian Women of First United Presbyterian Church Tuesday evening was a sewing "bee" with 32 members of the circles engaged in a missionary project, the making of quilt tops.

Mrs. Frank Barclay, UPW chairman, called the meeting to order and prayers for the missionaries were offered. During the short business session announcement was made of the annual mother-daughter banquet on March 2.

Circle Two served refreshments at Tuesday's meeting.

Can a Store SMILE?

Stores are like the people. Each has a personality. Some time ago a friend called us "THE STORE WITH A SMILE." It made us feel good, because a smile means a lot. It means concern for the other fellow's needs. It means the sort of comfortable feeling you expect in a home town store and sometimes miss in the big city. Can a store smile?

You bet it can.

Boy Scouts to See Ill. Power Generating Plant

Illinois Power Co. will take Quad-City area Boy Scouts on a tour of its Wood River power plant, including its new generating unit, on Friday, Feb. 12, it was announced this week.

Interested troops may make arrangements through their scoutmasters and the Boy Scout council office. Troop leaders will provide their own transportation to the power plant, where four groups will be formed at intervals throughout the day to view various points of interest. Explanations of the equipment will be given to the visitors.

Guidelines for School Board Membership Are Announced

Guidelines for selection of school board members were approved by the Tri-City Chamber of Commerce board during its monthly meeting Tuesday night.

By a unanimous vote of those present, the Chamber directors decided to ratify the guideline and announce them publicly. The hope is that prospective candidates will base their decisions to run or not to run on the guidelines available for consideration when deciding which candidates to support.

Large Turnout Sought
In a separate project, Chamber President Carl E. Mathias announced plans for a "get out the vote" drive. A large turnout will be sought, in the belief that school elections can help assure capable boards of education.

The seven guidelines for school board membership, prepared by the Chamber Education Committee in consultation with the Illinois Association of School Boards, follow:

1. IMPARTIALITY—A school board needs truly balanced representation. Men and women, as well as children, are needed for the representative section of the YMCA Wednesday Art classes for adults, and may volunteer for the classes by calling Bonnie Fuller at the "Y," it was announced today.

Students sketch and complete a portrait from life each Wednesday afternoon in charcoal or pastels. The class is informal and actual sitting time for the model is about 35 to 45 minutes with frequent coffee breaks. The class has about eight portrait artists and most of them have had previous training in portrait work while a few are just beginning to learn the art.

The finished portraits, as a rule, are given to the model in appreciation for sitting and are kept by the artist.

Mill Seeks M-2 Zoning for Tract

Rezoning of the "Behind the Mill" area from R-3 single family dwelling to M-2 heavy industrial for the \$140,000,000 expansion-modernization program of Granite City Steel Co. will be presented to the City Plan Commission at a hearing on Feb. 25. The petition for an amendment to the zoning ordinance was presented to the council Monday night and was referred to the commission.

The new Plan Commission chairman, William Hoelscher, set the time for 1:15 p.m. in the city hall.

Involved is the area between Omaha street and Sherman avenue extending from the alley south of East 20th street to Atlantic street.

In the petition it was brought out that property on two sides of the tract already is zoned M-2.

6. PERFORMANCE—Willingness to learn and to keep informed of educational needs, problems and trends, to attend board meetings regularly and punctually, to be courteous and to discuss school policies with the public; readiness to support sound proposals for progress and improvement; and ability to withstand unfair but legitimate criticism without sacrifice of principle.

7. RESTRAINT—Recognition that as a school board member his responsibility would be to see that the public schools are well run, but not to run them; that he should think not of personal advancement but of the advancement of each school child.

8. SCHOOL PERSONNEL—Encouragement of a good school system through fostering cooperation, teamwork, study innovation, loyalty and pride in accomplishment; reliance on the administration of each school child.

Models Needed for YMCA Class in Portrait Art

Men and women models, as well as children, are needed for the portraiture section of the YMCA Wednesday Art classes for adults, and may volunteer for the classes by calling Bonnie Fuller at the "Y," it was announced today.

Students sketch and complete a portrait from life each Wednesday afternoon in charcoal or pastels. The class is informal and actual sitting time for the model is about 35 to 45 minutes with frequent coffee breaks. The class has about eight portrait artists and most of them have had previous training in portrait work while a few are just beginning to learn the art.

The finished portraits, as a rule, are given to the model in appreciation for sitting and are kept by the artist.

Drivers License Unit Cuts Report Backlog

Secretary of State Paul Powell reported today at Springfield that the backlog of unprocessed driver's license reports submitted to the Drivers License division has been reduced to 22,956, a decrease of 15,189 from a year ago.

The reduction has been accomplished despite the fact that 104,422 more reports were received in the same period. Powell said, The total for the 12-month period was 1,146,309. In the first three weeks of January, 74,988 reports were received, an increase of 22,400 over the same period a year ago.

The present number of unprocessed reports is comfortably within the normal backlog of 25,000 to 25,000, Powell said. None of them, he said, involves a violation calling for mandatory revocation of the driver's license, as all reports of that type are separated from each day's mail and processed immediately.

Losers Package Downtown

Mrs. Kathleen Nichols, 2080 Grand avenue, reported Wednesday the loss of a package of merchandise which she said she left late Tuesday on the bus passenger's waiting bench at Edison avenue and 19th street.

Mrs. Nichols said the package contained a ladies watch band, a pearl necklace and a magazine on which her name was written.

Public Vote Sought on Nameoki Twp. Sewers

The Wilshire Manor Civic and Improvement Association decided Tuesday night to circulate petitions seeking a referendum if the Nameoki town board adopts an ordinance calling for construction of a township-wide network of sanitary sewers and sewage treatment plants.

President Carl Macos presided, and about 35 attended. In other business, the group reviewed successful efforts to obtain door-to-door mail delivery service in the Wilshire area.

Guests were Thomas Stauff, Pontiac Beach village president, Edison Phelps, Pontiac village clerk, and Keith Hart, president of the New Haven Manor Civic and Improvement Association.

Quarterly Tax Form Deadline is Feb. 10

Employers in the Quad-City area must file quarterly tax returns by Feb. 10, Income Tax Revenue Director Jay G. Philpott said today.

The Employers quarterly federal tax returns, Form 941, must be filed by employers who made deposits of withheld income and Social Security taxes for the fourth quarter of 1964, the director said.

Similarly, Philpott said, manufacturers, retailers and others who made deposits of all excise taxes due for the fourth quarter of 1964, must file their quarterly federal excise tax returns, Form 270, no later than Feb. 10.

Collide in Madison

Autos driven by Dennis Garofoli of 2101 Hildebrand avenue, Madison, and Raymond Gray of 2851 Nameoki drive, were damaged in a 6:50 p.m. collision Tuesday at Fourth street and Alton avenue in Madison.

Garofoli was headed west and was making a left turn into Alton avenue when Gray's car skidded on icy pavement.

No-Parking Zone Needs More Study

Establishment of a no-parking zone at 2413-15 State street where there is 15 feet of curb between private driveways was laid over by the Granite City council Monday night to give the Street committee more time to go into the problem.

An ordinance was submitted for the no-parking zone and it was placed on first reading. Several aldermen feared such a zone might set a precedent.

Alderman Sternberg, who made the original proposal last week, said there probably is not an other similar situation in town. He pointed out autos are parked in the 15-foot area and block both driveways in the residential area located near a tavern restaurant.

A request was made for the Street committee to inspect recent improved Woodlawn avenue to determine what can be done about holes in the pavement. The mayor was asked to request to improve the north shoulder along East 23rd street between Nameoki road and Route 162. It has become a "quagmire," Alderman Skubish said.

Collide in Venice

Autos driven by Larence McGraw of 1130a Calhoun street, Venice, and Howard W. Paisley of 1130a Calhoun street, Venice, collided at 2:25 p.m. Tuesday at Broadway and Market street in Venice. Both cars were headed east. Paisley reported he made a stop at Market street and was struck from the rear by the other car.

to finish.

Like the Mother Said to Her Baby: "It's Time For a Change!!"

We said the same thing to ourselves. Our store needed some changes made and we decided that this was the time to make them. We want to make it easier and more pleasant for you to shop right here for all your home furnishing needs, so we're going to make ours the most beautiful furniture store in this area. We are beginning with a complete remodeling of the Bedroom and Dining Room Section of our main floor. Just wait 'til you see the complete job with the rich wood paneling and mirrored walls.

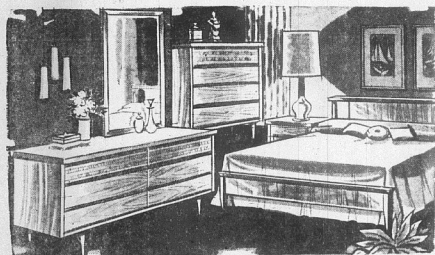

In the meantime we've got a mess on our hands. We knew there would be dust, dirt, and even some damage, but we never expected this much. Add to this the overcrowding of our floors and you can understand why we must clear-out some of the merchandise regardless of price. If it gets damaged or soiled we'll have to sell it for less, so we're taking our loss now in order to get it out of the way and let them get finished faster. Come in and see for yourself. It may be hard to get through the aisles but the savings are certainly worth it.

BRIDGE CLUB MEETS

On Monday morning, the Granite City Duplicate Bridge club met at the YMCA for its weekly meeting under the direction of Mrs. Helen Meyer.

Mrs. Marguerite Morgan and Mrs. Dorothy Lybarger shared first place honors. Mrs. Joyce Barnes, Mrs. Ann Grant, Mrs. Helene Blum and Mrs. Marie Huff tied for second place.

The next meeting will be on Feb. 8 at 10:15 a.m. at the "Y". The Evening Bridge club will meet at the Elks club at 6:30 p.m. Sunday.

Brownie Troop 889 met at Maryville school Tuesday afternoon. The Brownie promise given in union opened the meeting, followed by roll call and the collection of Brownie gold.

As part of a troop project, "Cooking in the Home," each scout gave an account of her cooking activities during the past week. Work was completed on disposable aprons. The girls sang, played games and closed the meeting with "Taps."

Brownies present were Precilla Butler, Marie Rodach, Vicki Boyer, Deborah Brown, Betty Doroghazi, Rebecca Flanigan, Shannon Harnett, Donna Hannah, Daisy Langston, Jane Lomax, Tamara Mertz, Judy Parrish, Carla Stricker, Ronda Tankley, Kerry Whelan and Rene Williams.

Mrs. Myra Parvish and Mrs. Nancy Mercer, troop leaders, announced the next meeting for Feb. 9.

RETURN FROM ARIZONA

Mrs. Edna Kruger, Edinham, Ill., and Mrs. Charles Kruger and son, Curtis, 1707 Sycamore street, returned home Sunday from Phoenix, Ariz. The four-day trip was made by plane.

While there, they were guests of Mrs. Edna Kruger's son-in-law and daughter, Mr. and Mrs. Richard Brown and children, Patty, Mike, Bob and Toni.

MONTHLY MEETING OF WOMEN'S SOCIETY

A monthly meeting of the Women's Society of Christian Service of Nameoki Methodist Church was held Monday evening at the church. Due to inclement weather, plans were canceled for a trip to the Leslie Bates Davis Neighborhood Center in East St. Louis.

Mrs. George Galka gave the devotion, "What Does the Lord Require?" The program chairman, Mrs. John Luckert, presented a program on "Spanish-American Visitors Speak." She was assisted by Mrs. Galka, Mrs. Byron Briner, Clyde Sawyer and Riggs Weston.

Mrs. Earl West, president, conducted a business meeting and announced the World Day of Prayer at the Nameoki Methodist Church at 7:30 p.m. A baby sitting service will be provided for those attending.

A missionary who has spent the past 36 years in Argentina and Korea will speak at a special service Feb. 14, Mrs. West reported. A rummage sale was planned for Apr. 24. Mrs. Galka closed the meeting with prayer.

Refreshments were served by Mrs. Ann Haly and Mrs. Ruth Hancock to those named and Mesdames Irene Pierce, Mildred Nancy, Ena Potter, Mary Jo Hines, Betty Millwee and Effie Vrenick and Miss Jane Elkins and Miss Moore Gresham.

The next regular meeting will be held at the church March 1.

VISITOR RETURNS HOME

Thomas Hogan of Dubuque, Ia., returned home Tuesday after spending the past six days as guest of Mr. and Mrs. John Hogan, 3205 Wilshire drive. He also visited his father, Chris Hogan, and brothers and sisters-in-law, Mr. and Mrs. Ross Hogan, Mr. and Mrs. Rex Hogan and a nephew, George Stevenson.

CHANGE IN DATE

St. Elizabeth Altar Society has postponed plans for Communion Sunday this week and will hold the observance Feb. 14. The event will be replaced with a breakfast for men of the Holy Name Society.

CHRIS NICHOLS OBSERVES FIFTH BIRTHDAY

Chris Nichols celebrated his fifth birthday Sunday at a party given by his parents, Mr. and Mrs. Arthur Nichols, 2680 Grand avenue, at Okawville, Ill. They were the guests of Mr. and Mrs. Don Speraneo, at whose home the party was held.

Games were played and each guest received a party hat and horn. A decorated birthday cake served as the table centerpiece, and refreshments were served to those named and Donna, Bobby, Linda, Mark, Debbie and Susan Speraneo.

Capt. Mildred Walker's Mother Dies in Iowa

Mrs. B. C. Bassett, 66, of Salem, Iowa, mother of Capt. Mildred Walker of the Granite City Salvation Army, died Tuesday at 9 a.m. in a Mt. Pleasant, Iowa, hospital. Funeral services are to be held Friday afternoon in Salem, Iowa, with burial Saturday in Frankfort, Ind.

Mrs. Bassett also leaves her husband, two sons, Ray and Ed Bassett, and grandchildren, David, Paul and Stanley Walker of Granite City. Capt. Walker, who lives at 2540 Deimar avenue, left for Salem, Iowa, early Tuesday.

SOCIETY

OBSERVANCE PLANNED FOR 40TH ANNIVERSARY

The Macedonian-Bulgarian Ladies Aid Society held its monthly meeting Tuesday afternoon at the Holy Trinity Church, 1200 Grand avenue, Madison.

Mrs. Pershova Tarpoff, president, called the meeting to order and reports were given by Mrs. Milka Klyashcheff and Mrs. Elizabeth Malincheff. May 2 was the date set for observing the 40th anniversary. Mrs. Nevenka Kaculoff gave a year-end financial report.

Refreshments were served in memory of William Dimitroff and Jim Kaculoff, by Mrs. Nevenka Kaculoff and Mrs. Katherine Dimitroff to 25 members.

Valentine Party For Sorority

Mrs. Helen Hoechele and Miss Celestine Lucas were hostesses to Eta Alumnae Chapter of the Phi Tau Omega sorority at one of the loveliest of the early Valentine parties last night at the Rose Bowl.

The tables were lighted with red and white candles in a May pole arrangement and red ribbons extended to the place cards which were Valentines and romantic cupids. A large red heart and cupid formed the centerpiece and the walls of the room were adorned with red and gold cupids, all carrying out the seasonal theme.

Prizes in the games were won by Mrs. Dolores Rapp, Mrs. Rose Gabriel, Mrs. Ruby Overbeck, Mrs. Elsie Rodell, Mrs. Dorothy Johannmeier and Mrs. Melba Tarpoff. There was a special award for a guest and for a member, Mrs. Norvell Slay and Miss Irene Hayes.

MAECENAS SOCIETY HOLDS MEETING

The Maecenas Society held a business meeting Tuesday evening in the home of Mrs. Marilyn Petrovich, 2018 Pontoon road. Mrs. James Corbin, president, conducted the meeting and refreshments were served to 12 members.

**PARTY IS HELD
FOR PINOCCHIO CLUB**
Mrs. Harry Jackson, 2324 Benton street, entertained the Get-Together Club Wednesday.

After the noon luncheon there were card games and awards went to Mrs. Harold Klenie, Mrs. Sam Kelley and Mrs. Herbert Buente.

Refreshments were served to those mentioned and to Mrs. Pat Takmanjan, Mrs. Marilyn Harris and Miss Jane Davis. Mrs. Stegmeyer was awarded the prize for the evening.

Husband and Date Night Planned

Plans for a "husband and date night" Feb. 20 were made by the Phi Psi Chapter of Beta Sigma Phi last night in the home of Mrs. Shirley Halbrook. Mrs. Sally Stegmeyer presided in the absence of the president.

A rummage sale to be held Feb. 13 also was discussed and final plans were made. It will be held at the IOOF hall. Another event planned was a guest night meeting March 17 in the home of Mrs. Jo Ann Macios.

The area convention is scheduled for April 4 in Mt. Vernon. Refreshments were served to those mentioned and to Mrs. Pat Takmanjan, Mrs. Marilyn Harris and Miss Jane Davis. Mrs. Stegmeyer was awarded the prize for the evening.

It may sound like an impossible feat, but many a man has kicked himself out of a job.

PARENTS WITHOUT PARTNERS WILL MEET

Local members of Parents Without Partners, Eastside Chapter 91, are planning to attend a monthly meeting at 8 o'clock in a new moving place, the United Church of Christ, U. S. 30 and Pleasant lane, Caseyville. The business session will be followed by discussion groups and refreshments will be served.

The Eastside Chapter was created for single parents of Madison and St. Clair counties and the adjacent area.

Two-Car Accident

A car driven by Shari L. Peak, 2705 Iowa street, stopped on Niedringhaus avenue at Cleveland hwy. for a red traffic signal, was struck from behind by another driven by Lawrence C. Curry, 4740 N. Meade road, who said his attention was diverted by a truck and he was unable to stop in time.

basements. First to be built will be the five brick apartment buildings. A number of the apartments will have enclosed patios. All apartments will have private entrances.

The service-type shopping center will be on the east end of the tract. It will be two-stories high and will have arcade arrangement. There will be offices for dentists and doctors, a beauty shop, barber shop, men's and women's clothing shops, a coffee shop and delicatessen, a bakery shop and a dry cleaning pickup shop.

The developer is reserving 35 feet of the tract at the west end in the event the city widens Wabash avenue between Adams and Pontom.

and \$789,875 in local railroad assessments, a total valuation of \$822,623,595.

These figures represent increases over last year of \$11,774,000 in personal property, \$1,260,210 in land and \$8,750,063 in bonds, with a decrease of \$18,139 in railroad assets.

Miss Hotz pointed out that local assessments for the 1964 tax year were received from the department of revenue last week. As soon as capital stock assessments are certified by the state, the extension of tax rates by the clerk's office is to get underway.

Jaycees Plan Pancake Brunch

Plans to collect March of Dimes canisters from local business firms Saturday, and to have a pancake brunch later this month, were made last night by the Granite City Jaycees at a monthly business meeting in the Tri-Mor Bowl.

Alvin Barnes III, was appointed to head the pancake brunch project, slated for 8 a.m. Feb. 28 at the YMCA. Proceeds will be used for the bus which the club recently donated to the YMCA Senior Citizens' Club.

Tickets are \$1 for adults and 75 cents for children. Barnes reported, and are available from any Jaycee, or members of the Senior Citizens' group.

As part of the "big brother" program sponsored by the Jaycees, seven local boys were treated to a recent Hawks basketball game and a similar group will view the "Silver Streaks" finale later this month. A visitation to the Alton Jaycee Chapter on Feb. 24 was announced by George Vesce.

Police Pursue, Capture Quartet

Pursued by a Venice police car after a daylight break-in of a delivery truck in Venice at 12:15 p.m. Wednesday, four St. Louis men abandoned their car and fled on foot but were captured a short time later in a chase that involved police from Venice, Madison and Granite City.

Being held in the Venice jail are William Atkinson, 29; Arthur Norfolk, 32; Isaac Weber, 34; and Leonie Cudrey, 30. Police Chief Frank DeWitt said the men will be charged with destruction of property, resisting arrest and also with theft if an inventory reveals any articles were taken from the truck. DeWitt said a preliminary check indicated about five cartons of cigarettes may have been removed.

The chase began after a witness saw the men break the glass in the delivery truck door while the truck was parked at the Party Co. on Washington avenue, and called police. Ralph Venney, in a Venice squad car, sighted the suspects at Market street and Madison avenue. As he gave chase, the fleeing men drove into the Burns Service station and jumped from the car, fleeing on foot. Officers gave chase and Brawley found one of the men hiding under a car in a parking lot.

Meanwhile the other men fled through the Hyman-Michaels scrap yards. Venice requested aid of Granite City police in cutting off the fleeing men. Madison police already had joined the chase and all of the suspects later were rounded up, two of them in the Michaels yards and one of them on the Terminal tracks.

The truck which the men entered is owned by the Alton Canteen Co. and was operated by Charles Brown, Alton.

Burglary at Grocery
Burglars broke into the Market Basket grocery store at 2000 Edwardville road, Madison, Tuesday night or early Wednesday morning and escaped with an undetermined quantity of cigarettes, cash and a paid of money order blanks.

Herman Epstein, operator of the market, said the cigarettes were taken from a counter display and that cash lost included a cigar box containing sales tax money, and another box containing money that had been paid for purchase of money orders.

Entry was gained by removing a window screen in a kitchen adjoining the store. The intruder then removed the hinges from a door between the kitchen and the store.

Ministerial Associate Membership in Chamber

Associate board and committee membership for the Quad-City Ministerial Association was voted Tuesday night by Tri-Cities Chamber of Commerce directors. The non-voting, representative w.111 permit participation in chamber board and committee discussions.

President Carl E. Mathias also filled a vacancy in the regular board membership. Ernest E. Veihl Jr. of General Steel Industries, a past Chamber president, will replace Roderick Key, who resigned.

Large attendance was urged at the annual Business-Industry Agriculture dinner Feb. 25, an Industrial Development Committee dinner Feb. 25, a national Chamber leadership forum Feb. 12 in St. Louis and the U. S. Chamber annual meeting April 25-28 in Washington.

Chamber memberships for the W. T. Grant Co. were approved, and the board adopted a 1965 "program of work" listing community goals. Namekoi road widening plans were discussed at the dinner meeting, held at the Rose Bowl.

Four Alarms, Danger At Service Station

Granite City firemen answered four alarms yesterday afternoon and evening, including one at Spark's Service Station, 19th street and Cleveland hwy., where a gas pump was struck at 7:40 p.m. and gasoline was leaking from a pipe. Firemen stood by, but no fire developed.

A total of \$400 loss was reported in a fire at the home of James Rehms, 2528 East 24th street, at 10:10 p.m., as children were playing with matches in a bedroom, firemen said. Damage included \$100 to the house and \$300 to the contents. A carburetor backfire caused \$100 damage to the 1959 auto owned by Rehms, 2450 Sheridan avenue, at 1:40 p.m. at 2207 East 20th street.

A fire in a kitchen even burned the handle of a skillet at the home of Ronald Veizer, 2737 Willow avenue, at 2:50 p.m. No loss was set.

FIDELIS CLASS CHANGES MEETING SCHEDULE

Mrs. Ann Redman, 2040 Beck, with avenue, entertained the Fidelis Sunday school class of First Baptist Church in her home Monday evening.

The meeting was opened with prayer by Mrs. Mary Lassen, followed with the class song. The devotional topic, the Lord's Prayer, was given by Mrs. Redman.

Mrs. Bonnie Bridges, president, presided over a monthly business session. Future meetings were changed to the third Monday of each month. The next meeting will be Feb. 15 in the home of Mrs. Lassen.

Those present were: Mrs. Lassen and daughter, Karen; Mrs. Alene Doolley; Mrs. Treva Williams; Mrs. Bridges and daughter, Treva; Mrs. Judy Burnett; Mrs. Sue Jones and Mrs. Doris Hargrave, who closed the meeting with prayer. The hostess served refreshments.

Junior Girl Scout Troop 46 met Monday at St. Mary's school with Mrs. Mary Elita Wambough and Mrs. Ruth Ann Plautz. The meeting was opened with the pledge of allegiance.

The girls were reminded of their "dumpling boxes" "Thanksgiving Day" Feb. 11 and a mother-and-daughter banquet in the school cafeteria. They worked on badge requirements.

Present were Brenda Broadway, Marsha Lane, Linda McClanahan, Debbie Topal, Sandra Boshoff, Jocelyn Fingel, Kathy Werner, Karen Sasyk, Joyce Mossa, Gale Dion, Karen Kolis, and Debbie Spirl.

Ruby Williams was welcomed into Brownie Troop 73 at a weekly meeting Monday at Harris school. She is a transfer from Granite City.

Mrs. Theima Skelly, leader, assisted the girls with the opening ceremony, which included the pledge of allegiance and "America." The girls made valentines.

Each Brownie received a registration notice which parents are to complete and return. Games were played prior to closing with the "Tunnel Song."

Those present were Marsha Anderson, Barbara and Ann Bevil, Colleen Caton, Minnie Downs, Carolyn Essington, Janet Gafford, Joan Hollenbeck, Charlene Kowaty, Georgianna Lynn, Robbie Morris, Debbie Oliver, Janet Redman, Deborah Shelton, Joeline Varney, Madelyn York, Janice Maxwell and Elizabeth Madison.

JUNIOR SERVICE BOARD PLANS SOCIAL EVENING

Mrs. Adrienne Warchol held a monthly executive board meeting of the Madison Junior Service club in her home, 1311 Fifth street, Monday evening.

Main topics of discussion, which will be presented to club members Tuesday evening, centered on a common project dance and luncheon March 27 and a dance to be given May 1 by the Madison Junior Service club.

Those present were Mrs. Loretta Hylla, president, and Mrs. Alberta Mikolajczyk, Mrs. DeLoye Elston, Mrs. Lillian and Mrs. Shirley Greer, Mrs. Julia Voloski and Miss Jeanette Bryant.

Refreshments were served by Mrs. Warchol.

BAND PARENTS PLAN ANNUAL CHILI SUPPER

The Madison Band Parents club met Monday evening at Madison junior high school.

Mrs. June Barham presided and Feb. 25 was set as the date for the annual chili supper at the Madison recreation center. After a short business period, the hostess served refreshments.

MRS. FRIZZELL HOSTESS TO BETA GAMMA CLUB

Those who excelled, Mrs. Nellie Barget and Mrs. Julia Voloski also won prizes.

Other members participating were Mrs. Sophie Greene, Mrs. Helen Kuback and the hostess, who served lunch at a late hour.

Mrs. Kuback will be the hostess March 2 in her home, 2805 Idaho street.

VALENTINE PREPARATIONS

Girl Scout Troop 170 met Tuesday at Madison junior high school with the leader, Mrs. Jackie Frizzell. The meeting was opened with a flag ceremony.

The girls are to assist Brownie leaders, Mrs. Bernadine Weidner, Mrs. Pauline Richter, and Mrs. Theima Skelly, with troop valentine parties as a part of their badge requirements.

The girls were assigned to the troops which they will assist and spent time working on favors and table settings.

Those present were Norma Kelly, Debbie Votogal, Constance Piechowski, Sharon McMurphy, Jackie Adams, Marla Russell, Mary Nell Stroder, Phyllis Frizzell, Ruby Young and Laura Wilson.

CHURCH CIRCLE HOLDS POT LUCK

The Young Adult circle met at the First Methodist Church Monday for a pot luck dinner and meeting.

Mrs. Catherine Olal, president, presided. Mrs. Theima Skelly, Mrs. Olal, were in charge of the dinner arrangements.

Mrs. Emma Graves presented the lesson, with Mrs. Kathryn Jones, Mrs. Doris Patterson, Mrs. Theima Skelly, Mrs. Lorraine O'Connell, Mrs. Betty Ballentine and Mrs. Mary Beasley taking part.

"The next meeting will be a pot luck dinner at the church March 1."

Rev. Baumann Elected

Rev. Robert J. Baumann, pastor of St. Peter's, 6 & E Church, has been elected to the board of directors of the South Illinois Synod of United Church of Christ at a meeting held in Clarkland when the new constitution establishing the Illinois South Conference was adopted.

Klondike Derby Tests Abilities of Local Scouts

Sub-zero temperatures and a five-inch snowfall created ideal conditions for the first running of the Klondike Derby in which a number of local Boy Scout troops showed dexterity in building sleds and competing for patrol championship honors. It was announced yesterday.

More than 250 area scouts participated in the winter activity which was held at the Lewis and Clark State Park under the auspices of the Cahokia Mount Boy Scout Council.

Forty-five patrols entered in the "derby" built sleds similar to Alaska dog sleds which they used in carrying equipment in the contest and later the sleds were judged for their durability, originality and attractiveness.

The Moose Patrol of Granite City Troop 15 topped all entries. Third spot went to local Troop 12, while second honors were taken on by Boy Scouts from Marine.

Six scouting skills were emphasized in the derby—first aid, compass and pacing, basic knot skills, firebuilding and cooking, semaphore signaling and height and distance judging.

Patrols were given maps and instructions and on signal raced to six locations marked on their maps as an "Alaskan city." As the final event, all patrols raced to a designated "claims office" where their "gold nuggets" were tallied to determine achievement for Fayette on Feb. 20.

Two Drivers Arrested

Raymond Wier, 2435A Delmar avenue, and Haskell Pyatt, Rural Route One, were charged with careless driving at 6:10 p.m. Tuesday at Madison avenue and Nameoki road. A hearing for Wier was set for Feb. 13 and Pyatt for Feb. 20.

Reset Publication Of Nameoki Sewer Ordinance Feb. 18

Publication of a sample ordinance for financing and construction of the Nameoki sewer treatment system was rescheduled tentatively for Thursday, Feb. 18 at a meeting of the Nameoki town board Monday night.

Harry Briggs, Nameoki township supervisor, told the board that a copy of the ordinance had been received from Chapman & Cutler, Chicago bonding authorities, and said he expected to outline details of the measure to members of the township's sewer committee, probably in a meeting Saturday. The committee is made up of representatives of various areas in the township that would be served by the proposed sewer system.

Delay in publication of the sample ordinance, which will give the public an opportunity to examine details of the sewer plan, developed when Pontoon Beach, an integral part of the system, held up its decision. Officials had begun revision of the ordinance to exclude Pontoon Beach when the village, a week ago, voted to join the program.

Briggs said that after the sample ordinance is published and the public has had time to inspect it, the ordinance will be adopted by the town board and given legal publication. If residents of the area require a referendum on the proposal, they will have 20 days after legal publication to file petitions.

The sewage treatment system would be built in three sections at a total cost approximating \$1,900,000. The ordinance will provide for issuing revenue bonds to finance construction.

Discussion of the sewer ordinance was the only order of business taken up at the meeting.

Vandal Mars Sports Car

Leroy Metzger, 2128 Delmar avenue, reported at 6:50 a.m. Tuesday that while his 1964 sports car was parked in front of his home Sunday before it snowed, someone poured pink paint over its top, and some paint ran down the side. The vandalism was discovered Tuesday morning.

Traffic Crashes Last Month Hit Average of 7.4-a-Day

Police authorities are hopeful that January will not set the pace for traffic accidents this year.

The six-day Quad-Cities average last year that broke all records was exceeded last month with a seven-day average. The pace actually was started in December 1964 when the seven-day average also was reached. Rain, sleet and snow which fell on nearly half the 31 days in January was blamed for most of the 230 traffic crashes reported for the month. Included were at least two sick weekends when in four-day periods 46 or more accidents occurred.

The actual averages for January were 7.4 accidents and 2.5 injuries a day, compared to the overall 1964 averages of 6.1 accidents and 3.1 injuries.

230 Crashes in January

Traffic statistics for the month show there were 230 accidents which resulted in 78 personal injuries and one death. These figures compare to December totals of 235 accidents, 117 injuries and four traffic deaths. The January 1964 statistics were 189 accidents with 75 injuries and two deaths.

While the number of crashes was increased considerably last month over January a year ago, authorities noted there was only a slight increase in the number of injuries, and the fatality rate for the Quad-Cities was down.

Weekly Breakdown

The holiday weekend plus the first week of January accounted for 63 accidents with 33 injuries while in the second week there were 57 accidents with seven injuries and the third week tallied 51 accidents and 20 injuries. The fourth week, which also included a fifth weekend that featured snow and ice-packed streets, added 59 accidents and 18 injuries. The lone fatality of the month occurred Jan. 26 with the death of William M. Moran, 68, of 1230 Granite avenue, a retired steel plant laborer, who had been struck by an auto on Edwardsville road on Jan. 20.

VHS Publications Students to Attend St. Louis Program

By JUDY REIDELBERGER

Mrs. Barbara Williams, sponsor of the publications class at Venice high school, with Marilyn Gontman, Mary Donna Satture, Kathy Ochoa, Diane Wilcox and Judy Reidelberger will attend the Pevely playhouse, emceed by Russ David, Jr. St. Louis next Tuesday.

The group will leave the high school at 10:15 a.m. by bus and will return at about 2:30. A luncheon will be served at the playhouse.

Voting is now under way at the high school for the T.A.P. king and queen. It started earlier this week. Candidates are for queen, Mary Donna Satture, Glenda Brown and Cindy Bosworth; and for king, Don Agers, Richard Eastington and Russell Turner. Proceeds from the dance and the voting will go to the March of Dimes.

Kathy Ochoa has been selected to go to Chicago for the annual state convention of student councils as a state discussion leader.

Some of the reasons leading to her selection to the honor were her attendance at the state summer workshop, being on the district credentials committee, attending the state convention last year as the secretary of the local Student Council and being a district discussion leader.

DAVID N. TOTH, son of Mr. and Mrs. Frank Toth, 2616 East 28th street, a sophomore at the University of Illinois majoring in pre-medicine, who made straight A grades at the University of Illinois for the fall semester. He is a 1963 graduate of Granite City high school where he was a valedictorian, and last year a book was presented to the high school by the U. of I. Mothers club in honor of his scholastic achievement. He also plays in U. of I. band.

Named Medical Director

Dr. Arthur E. McElfresh has been appointed professor of pediatrics and director of the department at the St. Louis University school of medicine, and medical director of Cardinal Glennon Memorial Hospital for Children, the university has announced.

102 Students on Prather Honor Roll; Nine All A's

A total of 102 students were named to the honor roll for the fall semester at Prather junior high school, including nine with all-A's.

Making straight A's were Sheila Davis, Robert Dolan, Paul Hoffman, Pamela Irwin, Sharon Joffe, Ron Laws, Pat Schilling, Nancy Thomson, Helen Yiotoff, Raechel Wenzel and Kathy Willis.

Five A's and one B, Kathryn Carney, Carolyn Ellis, Thomas Fox, Donna Ferro, Patrick Pulver, Debbie Larner, Lynn Lauswell, Dennis McGee, Mary McKay, Patricia McKay, Keith Mercer, Judith Riggs, Ernest Schwendemann, Joyce Shepard, Nancy Thomson, Helen Yiotoff, Raechel Wenzel and Kathy Willis.

MAX KAPLAN, lecturer, will give a series of talks Friday at Southwestern Illinois University's Alton center. An authority on leisure, and on art and popular culture in society, he will speak informally during the day to students and faculty and will attend a convocation for SWIU music majors. At 8:15 p.m. he will give a public address in SWIU's Alton auditorium on "The Arts in a Changing World."

'Junior Hi-Jinks Day' Planned Feb. 12 at 'Y'

Junior high school students in the area have been invited to join in the fun of "Junior Hi-Jinks Day" at the YMCA next Friday, Feb. 12.

Activities will begin at 10 a.m. in the clubrooms where for the second time this year, the "Y" Junior high student panel will be part of a discussion program.

The panel is composed of one or two representatives selected by members of each YMCA Junior Hi-Jinks or Hi-Y club. Ten junior high clubs are represented.

Members of the panel are Dena Helms, Sandy Ramsey, Ann Aufderheide, Marcia Paul, Mary Chapman, Pam Sciglak, Janice Stucke, Jim Gilmore, Mike MacMillan, Pat Fuller, Jerry Christian, Rick Fiesick and Bill Harris.

Students Choose Topics
Topics of discussion are chosen by the students. The discussion is followed by a question-and-answer session. Dr. Raymond Troyer, assistant professor of psychology at Southwestern Illinois University, will be the coordinator. Parents, students and others interested also were invited. The discussion will continue to 11:30 a.m.

College Interviews To Be Held Next Week

Admissions counselors from a group of colleges will interview applicants Wednesday and Thursday of next week in the Sheraton Jefferson hotel, St. Louis.

High school seniors and juniors, as well as parents and guidance directors, may make appointments with counselors from one or more of 12 colleges by phoning Mr. White at CH 1-2222.

The colleges are American University, Washington, D. C.; Babson Institute of Business Administration, Wellesley, Mass.; Florida Presbyterian College, St. Petersburg, Fla.; Franklin College, Franklin, Ind.; Hillsdale College, Hillsdale, Mich.; William Penn College, Oskaloosa, Iowa; John Carroll University, Cleveland, Ohio; Lakeland College, Sheboygan, Wis.; Mount St. Clare College, Clinton, Iowa; Northrop Institute of Technology, Ingleswood, Calif.; C. W. Post College, Greenvale, Long Island, N. Y.; and the University of Tampa, Fla.

Individual colleges and universities experiment with new discussion techniques and make a list in public discussion procedures via radio and television audience or an audience in an auditorium.

The tapes are sent to designated sectional judging centers for evaluation and winners are entered in the regional contests. In turn, winners of the regional judging are entered in the national finals held in March during the Southern States Speech Association convention.

SWIU Chosen as Judging Center for Discussion

For the second consecutive year Southwestern Illinois University has been selected as a regional judging center for a national contest in public discussion.

According to SWIU's James L. Robinson, director of forensics and chairman of the judging panel, the contest is an experimental program financed by an agency of the Ford Foundation to study the best methods and procedures of insuring more public information on crucial current issues.

The tapes are sent to designated sectional judging centers for evaluation and winners are entered in the regional contests. In turn, winners of the regional judging are entered in the national finals held in March during the Southern States Speech Association convention.

Sectional winners who will now be judged at SWIU are the University of California at Santa Barbara, Louisiana State University, Eastern Illinois University, Wisconsin State College, Hanover College. Last year's national champion was Bradley University.

Assisting Robinson in the judging will be Harry Lyle, a specialist in group discussion procedures, and a nationally recognized consultant on educational TV, and Robert H. Hawkins, a specialist in group discussion procedures. Lyle and Hawkins are associate professors in SWIU's fine arts department.

Students wishing to attend as delegates should attend the next council meeting at 2 p.m., Feb. 7 in the office of the vice-president. Housing and transportation will be paid by the council, while delegates will pay for their meals.

Psychology Award at UW
The Washington University has established the Marion E. Bunch creative award for the psychology graduate student submitting the most creative project during the calendar year. The first will be presented at a department banquet Sunday. It is named in honor of the head of the psychology department at the university.

SWIU Still 466 Acres Shy of 2600-Acre Campus

Southern Illinois University still needs about 466 acres of land to complete its 2600-acre Quad-City-Edwardsville campus, it has been announced.

The additional property is pending court action on condemnation suits, and none of it interferes with the current construction program.

Five buildings now under construction are the library, the university center, the classroom building, the science building and the communications building.

Work also is underway on a 20-acre utilities reservoir located in the northwestern corner of the campus, which will be a mile long, a heating and refrigeration plant, electrical system, educational television facilities, domestic water lines, sanitary sewer and equipment and campus roads, in

Communications Class Set July 5-31 at SIU

A chance for pre-college students to get a taste of campus life for four weeks this summer is provided by the ninth annual high school communications workshops at Southern Illinois University, Carbondale.

Speech, oral interpretation, drama, photography and journalism workshops will be offered to high school juniors and seniors July 5-31. Total expense, including room, board and tuition for the full four weeks, will be \$100.

Beside classroom instruction, the workshops will include field trips, a trip to the Municipal Opera in St. Louis, and a wide variety of social activities including swimming, dancing, horseback riding, wicker roasts, picnics and attendance at productions of the Southern Plains drama group.

Jobs Open in Geology Field, SIU Reports

Job opportunities for college-trained geologists now are bright after being in the doldrums for two or three years, according to Stanley E. Harris Jr., chairman of the Southern Illinois University geology department.

Once again the traditional employers, the oil and mining companies and government agencies, are seeking well-trained young geologists, he said. They also are finding opportunities in other fields, he said. As a result, universities are having difficulty finding qualified graduates with bachelor's degrees for their own graduate and research positions.

20 Students to Study English Lit. in England

Twenty Illinois State University students will study English literature and history this summer in England. Applications will be taken until March 15 by David A. Rolan, associate professor of history, who will be an instructor.

A field study course, undertaken for the first time, will include a three-week trip to England following five weeks of preparatory study on the SIU campus. The course, carrying graduate or undergraduate credit in English and social sciences, is scheduled for June 21 to Aug. 12, with the period from July 23 to Aug. 11 in England.

NSF Institute Open To Top HS Youths at SIU

April 1 is the deadline for application for Southern Illinois University's National Science Foundation summer training institute for outstanding high school students.

The eight-week program, beginning June 21, will offer college level work in five major subject areas. Students selected also will have an opportunity to do research in areas of their choice.

Howard J. Stains, associate professor of zoology who will direct the institute, said students with outstanding records but who are financially pressed should not hesitate to apply, as some financial assistance will be available to help offset costs.

Students who have finished their junior year in high school will receive preference, he said, but exceptionally well qualified students in any grade will be considered.

Selection will be based chiefly on recommendations of teachers and principals, scholastic averages, grades in science courses and participation in science and other academic pursuits.

Study to be offered in the 1965 institute is in the areas of psychology, physiology, engineering science, physical sciences and information theory, which includes operational and computer mathematics.

Stains said SIU received inquiries from more than 2500 students throughout the country into last year's program. Participation is limited to some top 50 applicants.

Deadline for Mark Twain School Reser to Feb. 10

The deadline for applications for the Mark Twain summer institute has been extended to Feb. 10, Robert F. Lemen, director, has announced.

The institute, a six-week summer session for academically talented metropolitan area high school students, will hold its seventh session this summer. Students may obtain applications from their high schools. The tuition is \$65 and tuition aid is available.

Summer Work Projects Available Through 'Y'

Local area college students looking for "a significant way to spend their summer" are being referred to the YMCA, which has information on activities offered by the National Student Council of YMCAs.

Summer projects in 1965, "the year to explore at home or overseas" will include a Washington, D. C., citizenship seminar-government work combined with study; paid summer employment with seminars, trips and discussions at the YMCAs of Philadelphia, Oakland and other cities; student teaching teams in West Virginia; YMCA career tryouts in Chicago; paid summer work in hospitals; an exchange permitting 40 days in the Soviet Union, with visits to several Eastern European countries; work and seminars in Colombia, Ecuador, Peru, Chile, Jordan and India; summer employment, study and travel in Japan; overseas appointments as "Y" staff members in Thailand, Mexico, Turkey, Peru, Uganda, Ecuador, Colombia and Bolivia; two years of English teaching in Japan; and six-week leadership training combined with intellectual inquiry in theology, ethics and group skills.

"Every student can make his contribution to solve the problems that beset the world, whether in his own city or halfway around the world," the National Student Council comments. "The trained, educated and inquiring student has a place to share his talent and his concern in one of the YMCA projects."

"Students sought are those who want to share themselves and their skills, are adaptable to new and strange conditions, enjoy meeting new friends, want to test their abilities in new environments, like to discuss their ideas with others, want to give leadership where it is needed, wish to learn through personal experience, want their education to contain an element of realism and enjoy new experiences with new friends."

St. Louis U. to Confer Degrees to 429 Sunday

St. Louis University will honor the Monsanto Chemical Co. and three of its top executives at the university's mid-year conferral of degrees at 2 p.m. Sunday in the university gym.

Degrees will be conferred on 429 graduates by Very Rev. Paul C. Reinert, S.J., university president, including 13 doctoral and 119 masters degrees. Dr. John J. Corson, professor of public and international affairs at Princeton University, will deliver the commencement address.

GC Learns of 2 Breaks in Main Sewer Line

Reports of two breaks in the city's major 78-inch trunk sewer inside Granite City Steel Co. were made to the city council Monday night, and authorization was given to secure prices for a close-circuit television inspection of the sewer condition.

The breaks are located at inverts near the cooling pond and at the northeast corner of the generating plant near 19th street and Madison avenue.

A. W. Pearson of the city's engineering staff was instructed to get the TV prices and also to confer with Granite City Steel Co. engineers on any repairs that might be needed and submit cost estimates before any work is done.

City Responsibility
The two breaks are in the Iowa street trunk line which extends one-half mile and is not in the section of the trunk which is to be relocated by the steel mill to make way for new buildings under its \$140,000,000 expansion-modernization program.

The sewer trunk is to be relocated from 19th street, south to 16th street in the middle of Madison avenue, and the steel firm at the same time will remove old trolley tracks from Madison avenue in the three blocks. Terminal Railroad Association granted an easement Monday night for the sewer to be placed under its tracks at 16th street.

Car Slows, Struck
While a car driven by Jerry Wilson, 2225 Alexander street, was slowing to stop, it was struck by another driven by William Million, 2341 North street, on Monday on 20th street near State street. Both cars were damaged.

County members debated the merits of a personal inspection vs. a TV inspection. The Street

committee, headed by Nomm, insisted on the TV and photographic inspection. The 78-inch trunk runs half full and with a swift current, Pearson pointed out. He said he would make a personal inspection if provided with a proper crew.

Alderman Johnson pointed out the sewer had been inspected about three years ago by Shepard, Morgan & Schwaab engineers in connection with the city's proposed master sewer plan. It was noted then that the sewers were on the verge of collapse.

16-Foot Washout
Pearson said that there had been a washout at the invert near the generating plant and that a steel mill gondola rail car had fallen into the 16-foot hole. "The steel mill just filled in the hole and advised the city," Pearson said.

He also pointed out that should the sewer line collapse completely, the city's sewer system would be blocked entirely north of 20th street. It was indicated a special session of the council would be called, if necessary to proceed immediately.

A drainage project at Willow avenue and Villa drive was authorized by a vote of 10-to-5 with the city to enter into a 50-50 proposal with the developer on the installation estimated to cost \$507.

Objection Raised
Alderman Rutledge objected to the project, saying the responsibility for the drainage project rested with the developer, and City Atty. George Filcott Jr. agreed with the alderman. The need for a 180-foot drainage line was stressed by Alderman Skubish, who said it would be needed before the spring rains. He said two developers had built homes in the area and one could not be reached. He added that the latest developer, Henry Ross, had agreed on the joint project.

Skubish said landscaping had caused the problem and that storm water was running into homes in the area. "Several of the homeowners are planning court action involving the city and the developer."

The vote was on a motion to enter into a contract with Ross, and he is to do the work and bill the city for half the cost.

Voting for the drainage line were Nomm, Partney, Skubish, Whitmer, Basarich, Mrs. Beltrac, Bartusik, Johnson, Bergfield and Pence. Opposed were Rutledge, Boyd, Moerlen, Sternberg and Thompson. Alderman Dallas was absent.

Boy Scout Week To Open Sunday; Election Tonight

Boy Scout Week To Open Sunday; Election Tonight

With its annual business meeting and election of officers set for 6:30 tonight at the Concordia Lutheran Church parish hall, 23rd street and Grand avenue, the Cahokia Mound Boy Scout Council is preparing to observe the 55th anniversary of scouting with varied activities during Boy Scout Week Feb. 7-13. A gathering of about 100 is expected this evening with Allen Jeece serving as meeting chairman.

Based on an anniversary theme of "Strengthen America's Heritage," Scout Week events will include efforts to fulfill four objectives — telling the story of scouting to sponsoring institutions, to the general public and to parents and friends, and making summertime plans known to boys and their parents.

Packs, troops and posts will endeavor to perform a "good turn" for the organization sponsoring them, and there will be store window displays as well as live demonstrations by uniformed scouts and explorers. Demonstrations may include downtown or shopping center locations, corner lot campouts, fire building, cooking and rope skills.

Many troops will conduct open houses, and packs will hold "blue and gold" banquets. Units participating in all four parts of the program will be honored with presentation of Scout Week ribbons.

Valentine Parties and Engagements Begin Early on Quad-Cities Social Scene

Bayer-Stephens Engagement

Announcement is made of the engagement of Miss Barbara Ann Stephens, a daughter of Clifford Stephens, 2809 Madison avenue, and the late Mrs. Stephens, to Ronald W. Bayer, whose parents are Mr. and Mrs. Hubert Bayer, 2821 National avenue.

Valentine Party Held by Guild

The annual Valentine party of the Evening Guild of St. John United Church of Christ was held Monday in connection with a regular monthly meeting. Twenty-eight members and four guests were present. The latter were Mrs. Glenn Forsgren, Miss Debbie Stues, Mrs. Frances Westbrook and Mrs. Sherill Cline. Mrs. Westbrook later became a member.

Mrs. Kathleen Tadlock was the devotional leader and Mrs. Wilma Willard, who served as program chairman, introduced the speaker, John Schrader, who discussed the various phases of two-man space projects. A film entitled "Jewels From Heaven" was shown by Mrs. Willard and a short business session was conducted by Mrs. Helen Robertson, president.

Refreshments were served, carrying out the Valentine theme, and "sunshine friends" were revealed and new names were drawn. The birthdays of Mrs. Kathryn Wagner, Mrs. Paul Sipe, and Mrs. Joyce Schrader were observed during the special hour.

The hospitality committee was composed of Mrs. Jessie Ogden, Mrs. Jane Kennerly and Mrs. Dorothy Johannigier.

Buildings in S. Illinois Reflect Nationalities

John W. Allen
Southern Illinois University
Numerous nationalities groups have come from time to time to settle in Southern Illinois. In many instances they have formed settlements in which the majority were of one nationality or were a group bound together by some cherished objective. In many of these communities where nationalities settled, the language, social customs, church affiliations and other practices of their homeland were continued.

Among such groups were the French, English, and those from the earlier eastern settlements, frequently referred to as the Americans. There also were later communities of Germans, Irish, Swiss, Poles, Italians and others.

The first of the national groups were the French who came about 1700 to settle in the Cahokia-Kaskaskia vicinity. Others came to settle near Vincennes, Ind., and the Wabash. Wherever these groups settled, the careful observers still find bits of the ancient practices and beliefs they brought.

The English arrived after the French yielded possession of the Illinois country, the English began to filter in, continuing to do so even after their country in turn had surrendered to the American colonies. One English group came to settle in Prairie du long township, Monroe county, where they did much to influence that area. A second and perhaps the most influential English group, coming to Illinois formed an English settlement lying about Albion in Edwards county. These settlers, led by George Flower and Morris Birkbeck, made many significant contributions to the state's progress.

Those acquainted with southern Illinois' story will recall localities known by the names of nationalities that settled there. There were a great number of German or Dutch settlements. In fact, the names of German and Dutch settlements, they practically took over. There is hardly a county in all southern Illinois, however, that has not pointed with pride to its one or more prosperous German farming communities.

It generally was a region of small farmers that drew German immigrants in the region. In addition to these, others came to farm in the fertile valleys. Asiatic Cholera Caused Moves.

At about the same time Asiatic cholera arrived in the St. Louis-Bellefonte area and took hundreds of lives. Germans living in those areas feared that the Hardin county region was free from cholera. A number of families therefore moved to the area. Many of their descendants still live there as one may easily see by looking at names on rural roadways.

Until recently, some of the buildings they erected were standing. Now a few of the ruins are left. One of these, far down toward the end of an old road is the "Dutch John" place, called

that for John Gearhardt, who built it, nearly west of Elizabethtown. Taking along a reasonable amount of curiosity and imagination and looking at the ruins over carefully, one finds several points of interest. Though the site has been deserted for a long lifetime, remnants remain to tell their part of the story.
The story of the Dutch John house is interesting. Its brick walls are different. Since there was no brick yard available to build his own home, Dutch John set about making his own. He built his own forms to use as molds. These were to make odd-sized bricks.

Unusual Brick Molds

The bricks produced by these old molds were about 8 by 12 by 3 inches. They distinctly were handmade, except for one detail where it may well be said they are "footmolded." Instead of using a tamping block or stone to form the clay in the mold, these barefooted brickmakers tramped the clay. The hand, foot and fingerprints they left still make these bricks good conversation pieces.

These bricks, being odd-sized, didn't offer much trouble, however. The builders simply left door and window openings in sizes to fit their bricks. The doors, door frames, window openings, window frames and even such were hand-made to fit the openings. Though only fragments are left now, they

VFW Poppy Days To Be May 28-29

Permission was granted to Veterans of Foreign Wars Post 1300 to hold its Memorial Day Buddy Poppy sales on May 28-29. A request for the dates was submitted to the Granite City council Monday night by Margaret Champion, Poppy chairman for the auxiliary, and Dale Brackett, chairman for the post.

Also granted by the council was permission for Illinois Power Co. to install a new gas main in the alley south of Washington avenue and west of 30th street for a distance of 387 feet.

IRS Officer Urges Use of Proper W2 Form in Return

Taxpayers were urged today by Internal Revenue Director Jay G. Philpott to be sure they attach Copy B of all W-2 forms to the 1964 Federal income tax return. He pointed out that refunds cannot be paid nor can credit be given for taxes withheld without the required W-2 which is the withholding statement received by employees from their employers.

Philpott asked that staples or pins not be used on the 1040-A card form. Card form returns are processed by machine and staple or pin holes in the cards interfere with processing.

He said taxpayers also should be sure that the W-2 attached to the return is Copy B, the one marked for the federal tax return. If the taxpayer has several jobs during the year, a W-2 form for each job should be included.

The temporary office established in Granite City to assist taxpayers with income tax problems will be open daily on Mondays only from now until April 15. The exception will be Monday, Feb. 22, when it will be closed for Washington's birthday. No telephone service is available from the Granite City office which is located in the city hall from 9 a.m. until 4 p.m. each Monday.

Taxpayers, however, may obtain assistance daily from the East St. Louis office of the Internal Revenue Service either in person or by telephone.

Hits Million-Dollar Insurance Sale Mark

Donald L. Harmon, 25 Del Rio, Granite City, an agent of the East St. Louis district of the Prudential Insurance Co., topped the million-dollar production mark during 1964, according to an announcement by Delmon B. Ross, manager of the office at 6710 State street, East St. Louis.

Harmon is a graduate of Granite City high school and received his BS degree in education from Shurtleff College in 1955. He was awarded a Master's degree in education at SIU in 1957. Before entering the insurance business he was a high school teacher and basketball coach.

Auto Leaves Lot, Struck

While leaving the parking lot at St. Margaret Mary's school a car driven by Carla Jacobson, 1920 Johnson road, was struck in the left side by another driven by Helen Moore, 2012 St. Clair avenue on Monday at 1800 St. Clair. Both cars were damaged. The Jacobson woman was charged with a right-of-way violation.

SHRINE'S HOSPITAL of St. Louis is the recipient of a \$750 check presented in behalf of the Venice Crippled Children's Organization to two members of the Masonic Order. In the ceremony are, left to right — William "Mike" Eberold, organization vice-president; Arthur Cooper Moore, Claude Echols and Mayor John E. Lee, organization president. A "roadblock" established for the organization by the Venice-Madison American Legion post and Venice firemen netted more than \$452.

City Salaries And One Week's Bill—\$99,165

Bills and half-month salaries totaling \$99,165 were approved Monday night by Granite City council members, and the total included \$65,647 for the bills and \$33,518 for the employees' salaries.

Largest items on the bill pertained to the sewage treatment plant under construction at the Army Depot—\$47,171 to Nelson Construction Co. for work done Jan. 1-28, and \$8,990 to the law firm of Moran, Beatty & Hise for services in connection with the rate ordinance and bond issue.

David J. Johnston & Associates was paid \$718 for engineering services on a motor fuel tax improvement project for West 24th street.

Illinois Power Co. was paid \$1819 for street lighting and other services in January, and East St. Louis & Interurban Water Co. received \$1473 for fire hydrant rental in January.

The city's payment to the Illinois Municipal Retirement fund, 8.97% of the January payroll, amounted to \$2944.

MARCH OF DIMES contribution of \$400 is accepted by Mrs. Nina Bigley, Madison county chairman, from Milton Morris, Venice chairman, on behalf of the Venice Crippled Children's organization at the annual ball held at the Venice-Madison American Legion hall.

"Corky the Clown" to be On Benefit Program Here

The program will start at 9:30 p.m. It was arranged through the management of the theatre, Chris Pashoff and the local March of Dimes leaders. All donations, which can be in any amount the youngster is able to give, will go to the March of Dimes fund.

Driver Charged After Accident in Venice

Joseph R. Britt, 58, St. Louis, was arrested by Venice police this week on a charge of careless driving growing out of an accident at 6:30 p.m. Jan. 27 on the Boardway viaduct in Venice. Britt posted bond pending hear Feb. 15.

Police said Britt's car collided with the auto of Sheridan J. Dutchik, 28, 3206 Wayne avenue, Granite City, after Britt's auto ran onto the viaduct sidewalk on the wrong side of the street, and then entered the eastbound lane of traffic. Three persons were injured in the accident, including Britt, Dutchik and Nanette Dutchik, 22.

January Rainfall Totals 2.88 Inches; Above Normal

Rainfall in the Quad-City area during January was the heaviest for that month in the last two years and exceeded the January normal fall by .80 of an inch, according to readings recorded at the Chain of Rocks Canal locks by U. S. Army Engineers. Rainfall totaled 2.88 inches for the month, with recorded rainfall on 11 days of the month and traces of precipitation on two days.

Heaviest rainfall was on Jan. 9 with .53 inch, following a .26 inch fall on Jan. 1 and .33 inch on Jan. 2. Traces were recorded on Jan. 13 and Jan. 17. Rainfall recordings on three days of the month represented snowfall. On Jan. 16 an inch and a half of snow was recorded as .36 of an inch of rainfall, while on Jan. 29, one and a half inches of snow represented a .16-inch rainfall.

The total fall recorded was .90 inch above the January normal rainfall of 1.98 inch. It was also 1.65 inches higher than the 1.23 inch of rainfall recorded for the previous month of December, and 1.91 inch of rainfall in January 1964 when the total fall for the month was .97 inch, and was 1.42 inch more than the 1963 January total of 1.46 inch.

Other rainfall recordings during January were .25 inch on Jan. 22, .29 inch on Jan. 23, .10 inch on Jan. 24 and .20 inch on Jan. 26.

Scouts Receiving Check Lists on Electrical Safety

Illinois Power Co. this week will distribute 2800 electrical safety check lists to Boy Scout organizations in parts of Madison, St. Clair, Bond and Macoupin counties, in observance of National Electrical Week.

Traditionally held during the week of the birthdate of Thomas Edison, Feb. 11, National Electrical Week this year coincides with National Boy Scout Week, Feb. 7-13.

The check list is designed to promote electrical safety in the common hazards found in various parts of the house.

Members of scouting organizations or a parent may take the completed check list to any Illinois Power office and receive free an instruction booklet on how to build a simple electric motor. The booklet, which will be available to discuss electrical problems noted during the inspection.

More than 32,000 check lists are being distributed by the utility to scouting organizations in communities where the company supplies electricity. Persons without children in a scouting program may pick up a copy of the check list at any Illinois Power office.

Edison, known principally for his invention of the first practical lightbulb in 1879, also developed a complete system of electric generation and distribution to make the bulb commercially practical. Of the 1097 patents awarded him, 336 were earned in the field of electric light and power.

When he died in 1931 at the age of 83, it was suggested that the electric current throughout the country be turned off for one minute in tribute to him. President Hoover replied that to do so would create a menace of life and property to hospitals, fire police and other services which would be interrupted. The statement itself served as a fitting tribute.

10 Sets of Twins Here Last Year; 572 Local Marriages

Ten of the 29 sets of twins in Madison county during 1964 were born to couples residing in the Quad-Cities, a yearly statistical report by Miss Eulalia Hotz, county clerk, revealed this week.

But the lone set of triplets was born to Mr. and Mrs. Bill Miller of Godfrey. The girls were named Karen Jo, Kathy Jean and Carol Sue.

Local twins were May 1964: Kimmi Jo and Timothy Scott, Mr. and Mrs. Chester H. Starford, 44 Bradford; July - Matthew David and Michael Dale, Mr. and Mrs. Harry D. Tracy, 2807 Myrtle avenue, and Jeanne and Lori Sibon, Mr. and Mrs. Maureen Smith, 4704 Kirkpatrick Homes, and Karen Ann and Sharon Lee, Mr. and Mrs. Thomas E. Voloski, 16084 Seventh street, Madison.

September - Cheryl Sue and Gerald Lee, Mr. and Mrs. Gerald L. Krug sr., 2920 Cayuga street, Donald Ross and Ronald Edward, Mr. and Mrs. Chester L. Miller, 2150 Delmar avenue, and Pamela Lee and Ronald Alan, Mr. and Mrs. Albert W. Howden, 2525 Angola drive.

November - Christopher Lee and Christine Lynn, Mr. and Mrs. Norbert Boyer sr., 1741 Bremen avenue, and Marsha

June honeymoons
June again was the leading marriage month, with 222 of the past year's 2263 total (compared with 293 and 2190 in 1963). Other totals were: January 160, February 159, March 163, April 164, May 154, June 191, August 226, September 200, October 193, November also 193 and December, 208.

Of the 2263 marriages, 1698 were performed by ministers and priests (1682 the previous year), 50 by circuit court magistrates (none), none by justices of the peace (242), none by police magistrates (224), 29 by circuit judges (14), none by the county judge (4), none by the probate judge (six), three by Salvation Army officers (none), 12 by service chaplains (18) and one by a rabbi (none). Many of the changes in the listing reflect the Illinois court system transition.

Guest Wins Local Toastmasters Award
"Bureaucratic Monster" was the topic of William Walker of Collinsville, whose award-winning talk was presented Monday night when he was a guest of the Granite City Toastmasters Club at a weekly dinner meeting in the Grand Cafe.

Earl Lee discussed a new approach to mathematics in a speech entitled "Modern Mathematics," and Marvin Dean led the table top with each member presenting his views on "Machete."

Dr. Claude Hiles as general evaluator, and Charles Youngs was toastmaster. Dr. Leo Coleman was the recipient of the "hone" award.

Ten members were present for the weekly dinner and business meeting. Earl Lee served as the presiding officer.

Piano, Workshop On Mathematics Voted in Venice

The Venice school board Monday night authorized purchase of a piano for the school band room from Johnson Music Shop on low bid of \$600. A second bid of \$675 was submitted by Shields Music Co.

Mrs. Frances Cragdock of Granite City was hired by the board as a substitute teacher for all grades.

Norman Owens, Lincoln school mathematics instructor, was authorized to conduct a series of workshops in new methods of mathematics. The classes will be held each Thursday following school in the Lincoln building and are open to all teachers in the Venice school system.

A request by the Venice Junior Service club for use of the Venice high school home economic room Sunday afternoon, Feb. 14, was granted by the board, which also approved a request from Mrs. Morris Mallicks, Lincoln PTA president, for use of the Lincoln school cafeteria Feb. 23 for a PTA Founders' Day banquet.

Superintendent Pier reported that the Lincoln grade school furnace went out on the night of Jan. 27, but was re-lit the next morning and caused no damage or disruption of school.

Several pipes in the unused Lincoln high school were reported to have burst during the past weekend's sub-zero temperatures. The development was not considered serious, Pier said, and repairs were made by the school maintenance crew. Although the high school is unused, heat is being maintained to protect equipment housed there, Pier added.

A meeting was scheduled for later this week with representatives of the Venice American Federation of Teachers Local 965 and the school administrator to formulate an emergency plan clause in a contract approved by the union and board last Dec. 7. The clause to be discussed grants teachers five days of emergency leave per year in addition to regular sick leave.

More Dismissals Sought
Renewed protests on Lincoln grade school assignment policies and allegations against faculty members at the Lincoln elementary school were voiced by members of the Congress of Racial Equality during the board's 40-minute meeting.

Added to a list of educators whose dismissal is sought by Core were Stanley Lynch, Lincoln physical education instructor, and assistant Venice high school coach, and Mrs. Linda Washington, a Lincoln teacher. Previously, four others were named.

Limited picketing by Core of the Venice school on Broadway is continuing, it was reported by Supt. Pier. Signs displayed during the demonstration alleged neglect of student welfare.

A registered letter sent to Venice school authorities was read by Board President Michael E. Leatherman Jr. It repeated a request made by Core last month for a meeting with the board and the six faculty members named. Again no action on holding a conference was taken by the board. Leatherman reiterated that the board has investigated and is completely satisfied with the conduct of Lincoln school personnel.

A Nov. 22 incident which apparently triggered the protest action involved a daughter of a Core member. She suffered a facial fracture of the left little finger in the school gym during the lunch hour. Other school incidents have been cited.

Alleged threats against the picketers were related by a Core representative, who said photographs of the picket line were taken by Lynch (not involved in the threat report).

Textbooks, Buses, Pensions
Bills approved for payment from the education fund totaled \$2505 and included \$141 for textbooks for the adult General Educational Development program, to be reimbursed through state aid funds.

Payment of \$1443 to the Blaine Transportation System for school bus service in December was authorized from the transportation fund, and bills amounting to \$885 for withholding taxes, hospitalization, teachers union dues and teachers' pension fund.

A total of \$503 was paid on the board's share to the Illinois Municipal Retirement Fund, while school lunch bills amounted to \$1610.

Plan to Retire? Visit Social Security Office

Most persons retiring during 1965 will be 62 years old or more and will be eligible for Social Security benefits, Ralph Brasher, manager of the Social Security district office in East St. Louis, reminded today.

He suggested that such persons visit the office to discuss retirement plans. A district office representative will explain what will be needed at the time claim is filed and where certain proofs can be obtained, he said.

This could prevent a possible delay in processing claims, and the retirees can be assured that their first benefit check will be on time, Brasher added.

Frequently a worker has great difficulty in deciding whether to retire before reaching 65. Brasher said that an estimate of a person's monthly benefit amount can be made, and this information often is helpful in making a decision about when to retire. Brasher said "It's good advice to inquire about your Social Security status before you retire - or to it right away." The local district office is located at 435 Missouri avenue, East St. Louis.
